PROPOSED CASH OFFER FOR DELTIC ENERGY PLC

I understand that the Offeror is considering the Transaction (as defined in Appendix C) substantially on the terms and conditions set out or referred to in the draft Rule 2.7 announcement attached at **Appendix A** to this undertaking (**Announcement**) on such terms and subject to conditions as agreed between Offeror and the Target and/or such other terms and conditions as required by (i) any applicable law or regulation; and/or (ii) the City Code on Takeovers and Mergers (**the Code**). References to paragraphs are to paragraphs in this undertaking. This undertaking is given in consideration of the Offeror agreeing to enter into the Transaction.

1 Warranties and undertakings

- 1.1 Subject to RockRose and Deltic jointly releasing the Announcement by 10.00am (London time) on the business day following the date of this undertaking (or such later date as Deltic and RockRose agree), and subject to paragraph 5 of this undertaking, I warrant and undertake to the Offeror that:
 - 1.1.1 I am the registered holder and/or the ultimate beneficial owner of the number of Target Shares set out in the table in Part A of Appendix B to this undertaking (**Shares**) and, unless stated otherwise in the third column of that table, I am the legal owner of those Target Shares and hold them free from any Encumbrances;
 - 1.1.2 other than as set out in Appendix B to this undertaking, I do not have any interest in securities (as defined in the Code) of the Target, or any rights to subscribe for, purchase

or otherwise acquire any such securities, or any short positions (within the meaning of the Code) in any such securities;

1.1.3 I have (and will at all relevant times continue to have) full power and authority to enter into this undertaking and to perform the obligations under it in accordance with their terms;

1.1.4 I will not prior to the earlier of the Transaction (A) completing, (B) lapsing or (C) being withdrawn and, in the case of the Target Shares in respect of which I am beneficial owner only, I will procure that any registered holder of the Shares (if applicable) will not:

1.1.4.1 (except pursuant to the Transaction) sell, transfer, charge, pledge, encumber, grant any options over or otherwise dispose of, or permit the sale, transfer, charging, pledge, encumbrance, granting of any option over or other disposal of or deal with (directly or indirectly and whether beneficially, legally or otherwise) any interest in the Shares or permit any such action to occur in each case except pursuant to the Transaction;

1.1.4.2 accept or agree to accept in respect of all or any of the Shares, any offer, scheme of arrangement or other transaction made in competition with, or which might otherwise frustrate, the Transaction;

1.1.4.3 convene any meeting of the members of the Target in my capacity as a shareholder, nor exercise or permit the exercise of the voting rights attaching to the Shares in any manner which would or might frustrate the Transaction or prevent the Transaction from completing;

1.1.4.4 (except pursuant to the Transaction or this undertaking) enter into any agreement or arrangement, incur any obligation (other than any obligation imposed by law) or give any indication of intent:

1.1.4.4.1 to do any of the acts referred to in paragraph 1.1.4.1 to 1.1.4.3; or

1.1.4.4.2 which in relation to the Shares would or might restrict or impede me accepting the Offer or voting in favour of the Scheme, or which would otherwise preclude me from complying with any of the obligations in this undertaking,

and, for the avoidance of doubt, references in this paragraph 1.1.4.4 to any agreement, arrangement, obligation or indication of intent include any agreement, arrangement, obligation or indication of intent whether or not legally binding or subject to any condition or which is to take effect upon or

following the lapsing of the Transaction, the ceasing of this undertaking to be binding or any other event,

provided, for the avoidance of doubt, that the foregoing undertakings will not in any way restrict any actions taken by me in my capacity as a director of the Target or any of its subsidiaries;

1.1.5 I will not and, where applicable, will procure that any registered holder of the Shares will not, until the earlier of:

1.1.5.1 this undertaking lapsing in accordance with paragraph 5 below; or

1.1.5.2 the Offer becoming or being declared unconditional as to acceptances or the Scheme becoming effective in accordance with its terms,

acquire any interest or otherwise deal or undertake any dealing in relevant securities of the Target save for the acquisition of Target Shares through the vesting or exercise of awards or options under any of the share schemes of the Target and save for any award or option over Target Shares granted to me under any of the share schemes of the Target after the date of this undertaking unless the Panel determines, and confirms to you, that in respect of such acquisition or dealing, I am not acting in concert with the Offeror pursuant to Note 9 on the definition of "acting in concert" set out in the Code;

1.1.6 I will take all steps in my power and, where applicable, will take all steps in my power to procure that any registered holder of the Shares also takes all steps in their power, to comply with the obligations in this undertaking; and

1.1.7 I shall notify you in writing as soon as possible upon becoming actually aware of any change to or inaccuracy in any information supplied, or representation or warranty given by me under this undertaking.

1.2 For the avoidance of doubt, I agree that if, after the date of this undertaking, any further Target Shares are acquired by me through the vesting or exercise of awards or options under any of the share schemes of the Target, such shares will form part of the Shares and will be subject to the terms of this undertaking.

2 Undertaking to vote in favour of the Scheme

2.1 To the extent that the Offeror elects to implement the Transaction by way of the Scheme and unless and until this undertaking lapses in accordance with paragraph 5, I hereby irrevocably and unconditionally undertake that I will and, where applicable, I will procure that any registered holder of the Shares will, in respect of all of the Shares:

2.1.1 vote in person or by proxy (whether on a show of hands or via a poll) in accordance with the procedure set out in the formal document containing details of the Scheme (the **Scheme Document**) in favour of any resolutions at any shareholder or court meeting (including any adjournment thereof) required for the implementation of the Transaction and any matter ancillary thereto (including, without limitation, to approve the Scheme and amend the Target's articles of association); and

2.1.2 vote in person or by proxy (whether on a show of hands or via a poll) against any resolution at any general or court meeting of Target shareholders (including any adjournment thereof) which might reasonably be expected to (i) result in a condition of the Transaction not being fulfilled; or (ii) impede or frustrate the Transaction (which will include any resolution to approve an alternative scheme of arrangement, merger or acquisition of any shares in the Target by a third party) or which would otherwise impact adversely on the completion of the Transaction,

and without prejudice to the foregoing, for the purpose of voting on any resolution referred to in this paragraph 2, I will or, where applicable, will procure that the registered holder of the Shares will:

2.1.2.1 if required by the Offeror, (i) in respect of any Shares held in certificated form, execute or procure the execution of any form of proxy appointing any person nominated by the Offeror to attend and vote on my behalf at the relevant general or court meetings (including any adjournment thereof) to approve the Scheme, the Transaction and any related matters; and (ii) in respect of any Shares held in uncertificated form, take or procure the taking of any action which may be required by Target or its nominated representative in order to make a valid proxy appointment and give valid CREST proxy instructions appointing any person nominated by the Offeror to attend and vote at the relevant general or court meetings (including any adjournment thereof) to approve the Scheme, the Transaction and any related matters, in each case within ten Business Days after the posting of the Scheme Document or, if later, within seven Business Days of acquiring the Shares; and

2.1.2.2 not amend, revoke or withdraw any such proxy once it has been returned in accordance with paragraph 2.1.2.1 above, either in writing or by attendance at any general meeting or court meeting or otherwise,

noting that completion of a form of proxy in accordance with paragraph 2.1.2.1 will not prevent me from attending in person at either the court meeting or any general meeting.

2.2 I further agree that the Offeror will acquire the Shares with full title guarantee and free from any Encumbrance of any nature whatsoever and together with all rights of any nature attaching to those

shares including the right to all dividends declared or paid after completion of the Transaction save as set out in the Announcement.

3 Undertaking to accept the Offer

3.1 To the extent that the Offeror elects to implement the Transaction by way of the Offer (with the consent of the Panel and on terms at least as favourable in the aggregate as the terms of the Scheme) and unless and until this undertaking lapses in accordance with paragraph 5, I hereby irrevocably and unconditionally undertake that, I will and, where applicable, I will procure that any registered holder of the Shares will, in respect of all of the Shares at the relevant time:

3.1.1 accept or procure the acceptance of the Offer in respect of the Shares in accordance with the procedure for acceptance set out in the formal document containing such Offer (the **Offer Document**) as soon as reasonably practicable and in any event no later than ten Business Days after the Offeror posts the Offer Document to Target shareholders or, if later, within seven Business Days of me or my nominee becoming the registered holder of any Shares;

3.1.2 notwithstanding that the terms of the Offer Document will confer rights of withdrawal on accepting shareholders, I shall not withdraw nor procure the withdrawal of any acceptance of the Offer in respect of the Shares or any of them and shall procure that no rights to withdraw any acceptance in respect of such Shares are exercised; and

and I further agree that the Offeror will acquire the Shares under the Offer with full title guarantee and free from any Encumbrance of any nature whatsoever and together with all rights of any nature attaching to those shares including the right to all dividends declared or paid after completion of the Transaction save as set out in the Announcement.

3.2 References in this undertaking to:

3.2.1 voting in favour of the Scheme and voting in favour of any resolutions at any shareholder or court meeting (including any adjournment thereof) required for the implementation of the Transaction shall be read and construed as references to accepting the Offer;

3.2.2 the Scheme becoming effective shall be read as references to the Offer becoming or being declared unconditional in all respects;

3.2.3 the Scheme lapsing or being withdrawn shall be read as references to the closing or lapsing of the Offer; and

3.2.4 to the Scheme Document shall be read as references to the Offer Document.

4 Voting rights

4.1 Solely in my capacity as a holder of the Shares and not in my capacity as a director of the Target, from the time of the release of the Announcement, until the earlier of the date on which this undertaking lapses or ceases to have effect in accordance with paragraph 5 below and the date on which the Shares are registered in the name of the Offeror or its nominees:

4.1.1 I will exercise or procure the exercise of the voting rights attached to the Shares only in a manner which is consistent (as reasonably determined by the Offeror) with the implementation of the Scheme or the Transaction;

4.1.2 I will exercise or procure the exercise of the voting rights attached to the Shares against any resolution at any meeting of Target shareholders (including any adjournment thereof) which, in the reasonable opinion of the Offeror would (i) result in a Condition of the Transaction not being fulfilled (ii) impede or frustrate the implementation of the Scheme or the Transaction; and

4.1.3 I will execute or procure the execution of any form of proxy required by the Offeror appointing any person nominated by the Offeror to attend and vote at the relevant general, class or court meeting (including any adjournment thereof) to approve the Scheme, the Transaction and any related matters) and will not revoke or amend (or permit the revocation or amendment of) the terms of any such proxy whether in writing, by attendance or otherwise);

in each case unless I am unable to take any such steps by operation of law or any ruling of the Panel.

5 Lapse of Undertaking

5.1 This undertaking and all of my obligations hereunder will lapse and cease to have effect to the extent not already undertaken and without prejudice to any liability for antecedent breach on the earlier of the following occurrences:

5.1.1 if the Announcement is not released by 10.00am (London time) on the business day following the date of this undertaking or such later date as RockRose and Deltic may agree, with the consent of the Panel if required;

5.1.2 if the Scheme Document is not released by the date which is 28 days after the date the Announcement is released (or such later date as may be approved by the Panel);

5.1.3 if the Offeror elects to implement the Transaction by way of the Offer and the Offer Document is not released by the date which is 28 days after the date of the announcement of the election to implement the Transaction by way of the Offer (or such later date as may be approved by the Panel);

- 5.1.4 if the Offeror announces, with the consent of the Panel, that it does not intend to proceed with the Transaction and no new, revised or replacement acquisition (to which this undertaking applies) is announced in accordance with Rule 2.7 of the Code at the same time;
- 5.1.5 if the Offer or Scheme lapses or is withdrawn and (i) no new, revised or replacement acquisition (to which this undertaking applies) is announced in accordance with Rule 2.7 of the Code at the same time or (ii) the Offeror publicly confirms that it does not intend to proceed with the Transaction or to implement the Transaction by way of an Offer or otherwise;
- 5.1.6 if the Scheme becomes effective or the Shares are transferred to RockRose (or any of its nominees) pursuant to the Offer;
- 5.1.7 the date on which any competing offer for the entire issued and to be issued share capital of the Target is declared wholly unconditional (if implemented by way of a takeover offer) or, if proceeding by way of a scheme of arrangement, becomes effective; or
- 5.1.8 the Scheme has not become effective by 11.59 p.m. on the Long Stop Date (as defined in the Announcement).

- 5.2 If this undertaking lapses, I will have no claim against the Offeror and neither will the Offeror have any claim against me.
- 5.3 I accept, acknowledge and confirm that I have been given adequate opportunity to consider whether or not to enter into this undertaking and to obtain independent advice accordingly.

6 General

- 6.1 The definitions in Appendix C to this undertaking apply throughout this undertaking unless the context requires otherwise.
- 6.2 Nothing in this undertaking obliges the Offeror to announce or enter into the Transaction. Nothing in this letter is, or is intended to be, now or at any other time, an arrangement between me and the Offeror which is contrary to Rule 21.2 of the Code.
- 6.3 I understand that the information provided to me in relation to the Transaction is given in confidence and must be kept confidential until the Announcement containing details of the Transaction is released or the information has otherwise been made public. Before this time, I will not deal in Target Shares or improperly disclose the information in contravention of the insider dealing or market abuse regimes under the Criminal Justice Act 1993, the AIM Rules for Companies and the UK version of Market Abuse Regulation (EU) No 596/2014.

- 6.4 Prior to this undertaking being published as referred to in paragraph 6.6.2 below, I agree not to disclose to any third party (other than my professional advisers) the existence or subject matter of this document or of any of the arrangements or proposed arrangements to which it relates (in each case to the extent the same is not, and has not become, publicly available information otherwise than as a result of our breach of this undertaking) unless such disclosure is required by law, the Panel, the London Stock Exchange, the Financial Conduct Authority or pursuant to any other legal or regulatory requirement in which case I will, to the extent reasonably practicable, consult with the Offeror prior to making such disclosure.
- 6.5 I undertake to provide to you, for inclusion in the Scheme Document or in the Offer Document, all such further information in relation to my interest in the Target and that of any person connected with me as you or the Target may reasonably require in order to comply with the Code or any applicable legal or regulatory requirements. - 6.11 No variation of this undertaking will be effective except by mutual agreement in writing.

- 6.12 This undertaking is given by me solely in my capacity as a holder of the Shares. Nothing in this Undertaking shall constitute an obligation for me, in my capacity as a director of the Target, to take any action that is not permitted by Rule 21.2 of the Code or by Practice Statement No. 29 issued by the Panel, nor should anything in this undertaking impose any obligations on me in my capacity as a director of the Target that would in any way impede or prejudice my obligations and duties, or fetter my discretion, as a director of the Target.

7 Power of Attorney

In order to secure the performance of my obligations under this undertaking, I irrevocably appoint (and, where applicable, shall procure as far as possible that the registered holder of such Shares shall appoint), severally, the Offeror and any director of the Offeror as my attorney to execute and deliver the form of acceptance or form of proxy and to sign, execute and deliver all other documents and do all such other acts and things as may be necessary for, or incidental to, the performance of my obligations under this undertaking on my behalf in the event of my failure to comply with any provision of this undertaking within the specified period provided that this appointment shall not take effect unless and until I fail to comply with any such provision in this undertaking within the time specified for compliance and I (and, where applicable, I shall procure that they) irrevocably undertake to ratify such act if called upon to do so.

**RECOMMENDED CASH ACQUISITION OF
DELTIC ENERGY PLC ("Deltic" or the "Company")**

BY

ROCKROSE ENERGY LIMITED ("Viaro Bidco")

(A WHOLLY-OWNED SUBSIDIARY OF VIARO ENERGY LIMITED ("Viaro Energy" or "Viaro"))

to be effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

Summary

- The boards of Viaro Bidco and Deltic are pleased to announce that they have reached agreement on the terms of a recommended cash offer for the entire issued and to be issued ordinary share capital of Deltic (the "**Acquisition**"). It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act.
- Under the terms of the Acquisition, each Deltic Shareholder will be entitled to receive:

For each Deltic Share: 7.46 pence in cash
(the "**Cash Consideration**")
- The Cash Consideration represents a premium of approximately:
 - 36 per cent. to the Closing Price of 5.50 pence per Deltic Share on 27 June 2025 (being the last trading day before the commencement of the Offer Period);
 - 34 per cent. to the volume weighted average price of 5.55 pence per Deltic Share for the one-month period to 27 June 2025 (being the last trading day before the commencement of the Offer Period);
 - 38 per cent. to the volume weighted average price of 5.41 pence per Deltic Share for the three-month period to 27 June 2025 (being the last trading day before the commencement of the Offer Period); and

- 56 per cent. to the volume weighted average price of 4.79 pence per Deltic Share for the six-month period to 27 June 2025 (being the last trading day before the commencement of the Offer Period).

The Acquisition values the entire issued and to be issued share capital of Deltic at approximately £6.9 million on a fully diluted basis.

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of the Deltic Shares, Viaro Bidco reserves the right to reduce the Cash Consideration payable under the terms of the Acquisition by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case Deltic Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital. Any exercise by Viaro Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition.

In connection with the Acquisition, Viaro Bidco has agreed to provide a bridging loan of up to £2.7 million (the "**Bridge Financing**") with a view to providing Deltic with sufficient working capital prior to the Acquisition becoming Effective (further details of which are set out in paragraph 12 below).

In addition, in consideration for Deltic engaging in discussions with Viaro Bidco in connection with the Acquisition, Viaro Bidco has undertaken to pay, or procure the payment of, certain costs reasonably and properly incurred by Deltic in the event that the Acquisition does not complete due to the occurrence of certain trigger events (further details of which are set out in paragraph 13 below).

It is intended that the Acquisition will be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, Viaro Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer (subject to the consent of the Panel).

Background to and reasons for the Acquisition

The Viaro Group entered the upstream oil and gas business in 2020 through the acquisition of Viaro Bidco, and has continued to invest and expand through further acquisitions in the UK and Netherlands. Viaro has ambitious growth plans for its upstream business and believes that the Acquisition would support its strategic aim of building a portfolio to deliver group production of 100,000 barrels of oil equivalent per day ("**boe/d**").

Viaro Bidco has evaluated opportunities to expand its upstream operations in the UK North Sea and views the licence interests held by Deltic to offer significant synergies to its existing portfolio. In particular the development of the Selene discovery is a key opportunity where Viaro Bidco can leverage its expertise to add to Viaro Bidco's near-term production growth in the UK. Additionally, the Blackadder exploration opportunity is close to existing Viaro Bidco infrastructure and, if successful, could add to near term production and extend the life of the potential host facilities.

Deltic's strategy today

Deltic's strategy as an investing company has been focussed on the identification and maturation of new or overlooked exploration activities in the UK North Sea with a particular focus on the Southern North Sea Gas basin. Deltic typically identified opportunities and applied for licences at 100% working interest, with the intention of reducing capital exposure to the projects by bringing partners to fund key aspects of the work programme including seismic acquisition and exploration drilling activities with the option to crystallise value from the assets prior to incurring the costs associated with offshore developments. This approach saw Deltic successfully farm-out a number of licences to established partners, two 3D seismic surveys acquired and two exploration wells drilled, both of which resulted in major discoveries at Pensacola and Selene.

Given the uncertain fiscal and policy environment which has persisted in recent years in the UK, it has become extremely challenging to both continue funding the Deltic business model via the equity markets or to realise significant value from exploration success.

Recommendation

The Deltic Directors, who have been so advised by Allenby Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable.

In providing advice to the Deltic Directors, Allenby Capital has taken into account the commercial assessments of the Deltic Directors.

Allenby Capital is providing independent financial advice to the Deltic Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Deltic Directors intend to unanimously recommend that the Deltic Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and vote (or procure votes) in favour of the Deltic Resolution(s) at the General Meeting as the Deltic Directors who hold Deltic Shares have irrevocably undertaken to do in respect of 240,336 Deltic Shares in total, representing in aggregate approximately 0.26 per cent. of Deltic's ordinary share capital in issue as at the Latest Practicable Date. The irrevocable undertakings given by the Deltic Directors remain binding in the event a higher competing offer is made for Deltic by a third party.

Considerations for the Recommendation

Since 2014, Deltic has been focussed on its UK gas exploration strategy which has delivered material success, including farm-outs to Shell, Capricorn and Dana and two significant gas discoveries in the Southern North Sea at Pensacola and Selene. However, this success has come against a backdrop of volatile oil and gas prices, significant inflationary pressures, an unpredictable UK fiscal regime since the introduction of the Energy Profits Levy in 2022 and the recent election of a UK government which has further undermined the UK's

domestic oil and gas industry by pledging to end exploration licencing and ban drilling for new oil and gas fields in UK waters.

The Deltic Directors consider that continuing uncertainty around the UK government's support for domestic exploration and production has undermined investor confidence in the sector as a whole and the industry awaits new fiscal and policy direction later this year in response to a number of ongoing public consultations which the Board believes are likely to have significant implications for the industry. This ongoing uncertainty has been difficult for companies across the sector, but especially for smaller exploration or development focussed oil and gas companies which are pre-revenue, many of which have suffered a material erosion in valuation and share liquidity since early 2024.

The 25 per cent. non-operated interest in the Selene discovery is a material asset for Deltic with material long term cash-flow potential, although it will require substantial additional investment for studies and development capital expenditure prior to delivery of first gas which is currently estimated in early 2029. While debt facilities or gas sales pre-payment options may potentially be available to satisfy the majority of the Company's capital requirements following a final investment decision ('FID'), expected in early 2027, the Deltic Directors consider that the Company would be wholly reliant on equity funding until that point.

Deltic was also recently informed by Shell UK Ltd of an overspend on the Selene well which will result in unexpected costs being allocated to Deltic. The exact quantum of these costs is currently still being assessed and reviewed by the joint venture partners, but it is expected that it will be approximately £1.3 million net to Deltic. While discussions around a deferred payment agreement, similar to that put in place in 2024 for Pensacola, are ongoing, this would represent a significant deferred liability for Deltic that would likely be due prior to first revenues from a potential Selene development.

It is against this backdrop of continued and increasing cost exposure associated with the development of Selene and a lack of confidence in the equity market's willingness to continue funding UK projects before further clarity is provided by the UK government, that the Deltic Directors have been considering the financial terms of the Acquisition and whether to recommend it to Shareholders. The Deltic Directors took into account a number of factors, including that:

- Despite the quality of the Selene discovery and the current partnership group, there remain a number of significant stage gates in the process of achieving an FID on Selene. Any one of these could lead to the project being cancelled or delayed in response to external events, including further changes to UK government policy, the regulatory regime, the gas price environment and/or capital availability within the joint venture group.
- The cash value per Deltic Share to be received pursuant to the Acquisition represents a premium of 36 per cent. to the Closing Price of 5.50 pence per Deltic Share on 27 June 2025 (being the last Business Day before this Announcement). In addition, the Acquisition represents premia of 34 per

cent., 38 per cent. and 56 per cent. to the volume weighted average price in the one-month, three-month and six-month periods ended 27 June 2025 respectively.

- The Acquisition provides Deltic Shareholders with the opportunity to realise an immediate and certain cash value. The Deltic Directors recognise the market in Deltic Shares over the last year has been relatively illiquid, making it difficult for Shareholders to realise their investment should they wish to do so.
- As at 31 December 2024, Deltic had cash resources totalling £1.4 million. Subsequent to that period end, the cash position of the Company has reduced as a result of normal operational expenditure such that, as at 31 May 2025, Deltic's unaudited cash balance was £0.49 million. Cash levels continue to be carefully managed, however in the absence of the Acquisition proceeding, the Deltic Directors anticipate that Deltic would be required to raise additional capital during July 2025 to: (i) continue to fund the Company's share of the Selene work program until value can be realised from the Selene asset; (ii) cover the Company's general corporate costs; and (iii) allow Deltic to cover its existing and potential additional deferred liabilities to Shell.
- In light of the Company's requirement to access additional capital during July 2025, the Board of Deltic has explored the potential options to fund the business until first revenues on Selene could potentially be achieved, including assessing the possibility of an equity fundraise. However, given the difficult market conditions referred to above and having discussed with the Company's largest shareholder and previously with other potential existing and new investors their appetite to provide further funding, the Deltic Directors do not have confidence in the Company's ability to raise sufficient funds through an issue of equity. The Deltic Directors also believe that, given the stage of Deltic's investments, providers of debt finance would be unwilling to provide the required debt facilities to Deltic.
- Against this backdrop, the Deltic Directors believe that the Acquisition represents certainty for Deltic Shareholders in relation to the future of the Company. The Deltic Directors also believe that, in the absence of alternative funding to the Bridge Financing and the Acquisition progressing, the Company would be in an extremely challenging financial position and the Deltic Directors may have no option but to place the Company into administration. Should administrators be appointed, it is not known how much, if any, value would be returned to Shareholders.
- The Deltic Directors have also considered the Offeror's stated intentions for Deltic's business, assets, management and staff and other stakeholders of Deltic.

Following careful consideration of the financial terms of the Acquisition, the combination of value and certainty that the terms of the Acquisition provide to Deltic Shareholders and the factors noted above, the Deltic Directors intend to unanimously recommend the terms of the Acquisition.

Irrevocable Undertakings

Viario Bidco has received irrevocable undertakings to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Deltic Resolution(s) at the General Meeting from:

- Lord Spencer of Alresford in respect of 2,856,825 Deltic Shares, representing approximately 3.07 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date;

Information relating to Viario Bidco and the Viario Group

Viario Bidco is a private company limited by shares. It was incorporated on 1 July 2015 in England and Wales with company number 09665181, and registered in the United Kingdom under the Companies Act 2006. The address of its registered office is 5th Floor, Viario House, 20-23 Holborn, London, United Kingdom, EC1N 2JD.

Viario Bidco was founded in 2015 for the purpose of making acquisitions of companies or businesses in the upstream oil and gas and power sector. It has grown rapidly through a series of corporate acquisitions, predominantly in the UK North Sea. Viario Bidco was acquired by Viario Energy in 2020 and became part of the Viario Group. Since then, it has further expanded with various acquisitions of upstream assets which has strengthened its position, particularly in the UK and the Netherlands.

Viario Bidco currently holds interests in more than 30 oil and gas assets in the North Sea, with associated interests in the supporting infrastructure and in key onshore terminals in both the UK and the Netherlands. Its team has a strong and demonstrable technical capability and experience with both operated and non-operated

oil and gas assets in the North Sea and internationally, working collaboratively within joint venture partnerships to deliver added value through the application of relevant experience in the management of mature assets, with a number of its personnel having held key positions within operating companies.

Information relating to Deltic

Deltic is an AIM quoted natural resources investing company which has invested in a number of offshore oil and gas assets in the UK and is focused on realising the additional exploration potential of this proven hydrocarbon province.

Deltic has interests in three offshore licences and further exploration potential has been identified within the existing licence portfolio. Deltic's exploration experience and licence portfolio is primarily focused on future gas production given the increasing importance of natural gas in the transition to a low carbon future.

Timetable and Conditions

- It is intended that the Acquisition will be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, Viaro Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer (subject to the consent of the Panel).
- The Acquisition is conditional on, among other things, the approval of the requisite majority of the Scheme Shareholders at the Court Meeting and Deltic Shareholders at the General Meeting. In order to become Effective, the Scheme must be approved by a majority in number of the Scheme Shareholders present and voting at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted. In addition, the approval of the Deltic Resolution(s) by Deltic Shareholders representing at least 75 per cent. of votes cast at the General Meeting (expected to be held immediately after the Court Meeting) is also required for the implementation of the Scheme. In addition, following the Court Meeting, the Scheme must be sanctioned by the Court. Finally, a copy of the Court Order must be delivered to the Registrar of Companies, upon which the Scheme will become Effective. The Scheme must become Effective by no later than the Long Stop Date.
- The Acquisition will be made in accordance with the Takeover Code and on the terms and subject to the Conditions which are set out in Appendix 1 to this Announcement and on the further terms and conditions that will be set out in the Scheme Document.
- The Scheme Document, containing further information about the Acquisition and notices of the Court Meeting and the General Meeting, and which will be accompanied by the forms of proxy, will be published as soon as reasonably practicable, and in any event within 28 days of this Announcement (or such later time as Viaro Bidco, Deltic and the Panel agree and, if required, the Court may approve). The Scheme Document will specify the actions to be taken by Deltic Shareholders and will contain an expected timetable for the implementation of the Scheme.

- The Scheme is expected to become Effective in Q4 of 2025, subject to the satisfaction or, where permitted, waiver of the Conditions set out in Appendix 1 to this Announcement.

Commenting on the Acquisition, Francesco Mazzagatti, CEO of Viaro Energy, said:

“Deltic’s portfolio represents a natural fit with Viaro’s existing assets and strategic focus in the North Sea. The Selene discovery is a key driver for this acquisition, which forms an important component of Viaro’s recently announced transaction with Shell and ExxonMobil, as well as within the broader basin context. The transaction reflects our commitment to advancing key developments responsibly and with the continuity they require. By working with joint venture partners to overcome the economic challenges imposed by the current fiscal uncertainty, we aim to ensure that important developments like Selene can be successfully progressed towards production in a timely manner, and with the right level of technical and financial support.”

Commenting on the Acquisition, Andrew Nunn, CEO of Deltic, said:

“Despite the difficult political and fiscal backdrop impacting the UK E&P industry over a number of years, the achievements of the Deltic team and the quality of our assets have been recognised by Viaro. This transaction provides certainty for Shareholders as well as our staff, regulators and joint venture partners who are progressing the Selene opportunity towards development for the benefit of the UK’s future energy needs. We are looking forward to working with the wider Viaro team as we continue to move the Selene and Blackadder opportunities towards production and applying our proven exploration expertise to Viaro’s existing and expanding portfolio of Southern North Sea licences.”

Commenting on the Acquisition, Mark Lappin, Chairman of Deltic said:

“I couldn’t be prouder of the journey and work of the small team within Deltic. They have progressed two major gas discoveries from two wells drilled. Given the capital required to progress our exploration successes to the next stage, it is the right time to change direction. The Acquisition by Viaro gives the Deltic business access to a different funding model, which is better suited to the current business environment and aiming to ensure discoveries are progressed and gas will be delivered to where it is needed.”

2 The Acquisition

For each Deltic Share: 7.46 pence in cash
(the "**Cash Consideration**")

- 36 per cent. to the Closing Price of 5.50 pence per Deltic Share on 27 June 2025 (being the last trading day before the commencement of the Offer Period);
- 34 per cent. to the volume weighted average price of 5.55 pence per Deltic Share for the one-month period to 27 June 2025 (being the last trading day before the commencement of the Offer Period);

- 38 per cent. to the volume weighted average price of 5.41 pence per Deltic Share for the three-month period to 27 June 2025 (being the last trading day before the commencement of the Offer Period); and
- 56 per cent. to the volume weighted average price of 4.79 pence per Deltic Share for the six-month period to 27 June 2025 (being the last trading day before the commencement of the Offer Period).

The Acquisition values the entire issued and to be issued share capital of Deltic at approximately £6.9 million on a fully diluted basis.

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of Deltic Shares, Viaro Bidco reserves the right to reduce the Cash Consideration payable under the terms of the Acquisition by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case Deltic Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital authorised, declared, made or paid.

If and to the extent that any such dividend, distribution or return of value is authorised, declared, made or paid or becomes payable on or prior to the Effective Date, and Viaro Bidco exercises its rights under this paragraph 2 to reduce the Cash Consideration payable under the terms of the Acquisition, Viaro Bidco shall make an announcement in respect of the exercise of that right and any reference in this Announcement to the Cash Consideration payable under the terms of the Acquisition shall be deemed to be a reference to the Cash Consideration as so reduced. Any exercise by Viaro Bidco of its rights referred to in this paragraph shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition.

In connection with the Acquisition, Viaro Bidco has agreed to provide a bridging loan of up to £2.7million (the "**Bridge Financing**") with a view to providing Deltic with sufficient working capital prior to the Acquisition becoming Effective (further details of which are set out in paragraph 12 below).

In addition, in consideration for Deltic engaging in discussions with Viaro Bidco in connection with the Acquisition, Viaro Bidco has undertaken to pay, or procure the payment of, certain costs reasonably and properly incurred by Deltic, in the event that the Acquisition does not complete due to the occurrence of certain trigger events (further details of which are set out in paragraph 13 below).

It is intended that the Acquisition will be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, Viaro Bidco reserves the right to elect to implement the Acquisition by way of a Takeover Offer (subject to the consent of the Panel).

It is expected that the Scheme Document (including details of the Court Meeting and the General Meeting), and the forms of proxy accompanying the Scheme Document, will be published as soon as

reasonably practicable, and in any event within 28 days of this Announcement (or such later time as Viaro Bidco, Deltic and the Panel agree and, if required, the Court may approve) and the Scheme will become Effective in Q4 of 2025, subject to the satisfaction or, where permitted, waiver of the Conditions set out in the Appendix 1 to this Announcement.

An expected timetable of principal events relating to the Acquisition and further information on the actions to be taken by the Deltic Shareholders will be provided in the Scheme Document.

3 Background to and reasons for the Acquisition

The Viaro Group entered the upstream oil and gas business in 2020 through the acquisition of Viaro Bidco and has continued to invest and expand through further acquisitions in the UK and Netherlands. The Viaro Group has ambitious growth plans for its upstream business, and believes that the Acquisition would support its strategic aim of building a portfolio to deliver group production of 100,000 boe/d.

Viaro Bidco has evaluated opportunities to expand its upstream operations in the UK North Sea and views the licence interests held by Deltic to offer significant synergies to its existing portfolio. In particular the development of the Selene discovery is a key opportunity where Viaro Bidco can leverage its expertise to add to Viaro Bidco's near-term production growth in the UK. Additionally, the Blackadder exploration opportunity is close to existing Viaro Bidco infrastructure and, if successful, could add to near term production and extend the life of the potential host facilities.

4 Deltic's strategy today

Deltic's strategy as an investing company has been focussed on the identification and maturation of new or overlooked exploration activities in the UK North Sea with a particular focus on the Southern North Sea Gas basin. Deltic typically identified opportunities and applied for licences at 100% working interest, with the intention of reducing capital exposure to the projects by bringing partners to fund key aspects of the work programme including seismic acquisition and exploration drilling activities with the option to crystallise value from the assets prior to incurring the costs associated with offshore developments. This approach saw Deltic successfully farm-out a number of licences to established partners, two 3D seismic surveys acquired and two exploration wells drilled, both of which resulted in major discoveries at Pensacola and Selene.

Given the uncertain fiscal and policy environment which has persisted in recent years in the UK, it has become extremely challenging to both continue funding the Deltic business model via the equity markets or to realise significant value from exploration success.

5 Recommendation

The Deltic Directors, who have been so advised by Allenby Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable.

In providing advice to the Deltic Directors, Allenby Capital have taken into account the commercial assessments of the Deltic Directors.

Allenby Capital is providing independent financial advice to the Deltic Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Deltic Directors intend to unanimously recommend that the Deltic Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and vote (or procure votes) in favour of the Deltic Resolution(s) at the General Meeting as the Deltic Directors who hold Deltic Shares have irrevocably undertaken to do in respect of 240,336 Deltic Shares in total, representing in aggregate approximately 0.26 per cent. of Deltic's ordinary share capital in issue as at the Latest Practicable Date. The irrevocable undertakings given by the Deltic Directors remain binding in the event a higher competing offer is made for Deltic by a third party.

6 Considerations for the Recommendation

Since 2014, Deltic has been focussed on its UK gas exploration strategy which has delivered material success, including farm-outs to Shell, Capricorn and Dana and two significant gas discoveries in the Southern North Sea at Pensacola and Selene. However, this success has come against a backdrop of volatile oil and gas prices, significant inflationary pressures, an unpredictable UK fiscal regime since the introduction of the Energy Profits Levy in 2022 and the recent election of a UK government which has further undermined the UK's domestic oil and gas industry by pledging to end exploration licencing and ban drilling for new oil and gas fields in UK waters.

The Deltic Directors consider that continuing uncertainty around the UK government's support for domestic exploration and production has undermined investor confidence in the sector as a whole and the industry awaits new fiscal and policy direction later this year in response to a number of ongoing public consultations which the Board believes is likely to have significant implications for the industry. This ongoing uncertainty has been difficult for companies across the sector, but especially for smaller exploration or development focussed oil and gas companies which are pre-revenue, many of which have suffered a material erosion in valuation and share liquidity since early 2024.

The 25 per cent. non-operated interest in the Selene discovery is a material asset for Deltic with material long term cash-flow potential, it will require substantial additional investment for studies and development capital expenditure prior to delivery of first gas which is currently estimated in early 2029. While debt facilities or gas sales pre-payment options may potentially be available to satisfy the majority of the Company's capital requirements following a final investment decision ('FID'), expected in early 2027, the Deltic Directors consider that the Company would be wholly reliant on equity funding until that point.

Deltic was also recently informed by Shell UK Ltd of an overspend on the Selene well which will result in unexpected costs being allocated to Deltic. The exact quantum of these costs is currently still being

assessed and reviewed by the joint venture partners, but it is expected to be approximately £1.3 million net to Deltic. While discussions around a deferred payment agreement, similar to that put in place in 2024 for Pensacola, are ongoing, this would represent a significant deferred liability for Deltic that would likely be due prior to first revenues from a potential Selene development.

It is against this backdrop of continued and increasing cost exposure associated with the development of Selene and a lack of confidence in the equity market's willingness to continue funding UK projects before further clarity is provided by the UK government, that the Deltic Directors have been considering the financial terms of the Acquisition and whether to recommend it to Shareholders. The Deltic Directors took into account a number of factors, including that:

- Despite the quality of the Selene discovery and the current partnership group, there remain a number of significant stage gates in the process of achieving an FID on Selene. Any one of these could lead to the project being cancelled or delayed in response to external events, including further changes to UK government policy, the regulatory regime, the gas price environment and/or capital availability within the joint venture group.
- The cash value per Deltic Share to be received pursuant to the Acquisition represents a premium of 36 per cent. to the Closing Price of 5.50 pence per Deltic Share on 27 June 2025 (being the last Business Day before this Announcement). In addition, the Acquisition represents premia of 34 per cent., 38 per cent., and 56 per cent. to the volume weighted average price in the one-month, three-month and six-month periods ended 27 June 2025 respectively.
- The Acquisition provides Deltic Shareholders with the opportunity to realise an immediate and certain cash value. The Deltic Directors recognise the market in Deltic Shares over the last year has been relatively illiquid, making it difficult for Shareholders to realise their investment should they wish to do so.
- As at 31 December 2024, Deltic had cash resources totalling £1.4 million. Subsequent to that period end, the cash position of the Company has reduced as a result of normal operational expenditure such that, as at 31 May 2025, Deltic's unaudited cash balance was £0.49 million. Cash levels continue to be carefully managed, however in the absence of the Acquisition proceeding, the Deltic Directors anticipate that Deltic would be required to raise additional capital during July 2025 to: (i) continue to fund the Company's share of the Selene work program until value can be realised from the Selene asset; (ii) cover the Company's general corporate costs; and (iii) allow Deltic to cover its existing and potential additional deferred liabilities to Shell.

- In light of the Company's requirement to access additional capital during July 2025, the Board of Deltic has explored the potential options to fund the business until first revenues on Selene could potentially be achieved, including assessing the possibility of an equity fundraise. However, given the difficult market conditions referred to above and having discussed with the Company's largest Shareholder and previously with other potential existing and new investors their appetite to provide further funding, the Deltic Directors do not have confidence in the Company's ability to raise sufficient funds through an issue of equity. The Deltic Directors also believe that, given the stage of Deltic's investments, providers of debt finance would be unwilling to provide the required debt facilities to Deltic.
- Against this backdrop, the Deltic Directors believe that the Acquisition represents certainty for Deltic Shareholders in relation to the future of the Company. The Deltic Directors also believe that, in the absence of alternative funding to the Bridge Financing and the Acquisition progressing, the Company would be in an extremely challenging financial position and the Deltic Directors may have no option but to place the Company into administration. Should administrators be appointed, it is not known how much, if any, value would be returned to Shareholders.
- The Deltic Directors have also considered the Offeror's stated intentions for Deltic's business, assets, management and staff and other stakeholders of Deltic.

Following careful consideration of the financial terms of the Acquisition, the combination of value and certainty that the terms of the Acquisition provide to Deltic shareholders and the factors noted above, the Deltic Directors intend to unanimously recommend the terms of the Acquisition.

7 Irrevocable undertakings

Viaro Bidco has received irrevocable undertakings to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Deltic Resolution(s) at the General Meeting from:

- IPGL Limited in respect of 14,678,781 Deltic Shares, representing approximately 15.77 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date;
- Lord Spencer of Alresford in respect of 2,856,825 Deltic Shares, representing approximately 3.07 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date;
- Sarah McLeod in respect of 43,126 Deltic Shares, representing approximately 0.05 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date; and
- Sarah Flavell in respect of 30,172 Deltic Shares, representing approximately 0.03 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date.

The Directors of Deltic have also given irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Deltic Resolution(s) at the General Meeting in respect of an additional 240,336 Deltic Shares, representing approximately 0.26 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date.

Viario Bidco has therefore received, in aggregate, irrevocable undertakings in respect of 17,849,240 Deltic Shares, representing approximately 19.17 per cent. of Deltic's ordinary share capital in issue as at the Latest Practicable Date.

Further details of these irrevocable undertakings, including the circumstances in which they may lapse, are set out in Appendix 3 to this Announcement.

8 Information relating to Viario Bidco and the Viario Group

Viario Bidco is a private company limited by shares. It was incorporated on 1 July 2015 in England and Wales with company number 09665181, and domiciled in the United Kingdom under the Companies Act 2006. The address of its registered office is 5th Floor, Viario House, 20-23 Holborn, London, United Kingdom, EC1N 2JD.

Viario Bidco was founded in 2015 for the purpose of making acquisitions of companies or businesses in the upstream oil and gas and power sector. It has grown rapidly through a series of corporate acquisitions, predominantly in the UK North Sea. Viario Bidco was acquired by Viario Energy in 2020 and became part of the Viario Group. Since then, it has further expanded with various acquisitions of upstream assets which has strengthened its position, particularly in the UK and the Netherlands.

Viario Bidco currently holds interests in more than 30 oil and gas assets in the North Sea, with associated interests in the supporting infrastructure and in key onshore terminals in both the UK and the Netherlands. Its team has a strong and demonstrable technical capability and experience with both operated and non-operated oil and gas assets in the North Sea and internationally, working collaboratively within joint venture partnerships to deliver added value through the application of relevant experience in the management of mature assets, with a number of its personnel having held key positions within operating companies.

9 Information relating to Deltic

Deltic is an AIM quoted natural resources investing company which has invested in a number of offshore oil and gas assets in the UK and is focused on realising the additional exploration potential of this proven hydrocarbon province.

Deltic has interests in three offshore licences and further exploration potential has been identified within the existing licence portfolio. Deltic's exploration experience and licence portfolio is primarily focused on future gas production given the increasing importance of natural gas in the transition to a low carbon future.

10 Strategic plans with regard to the business, directors, management, employees, pensions and locations of the Deltic Group

10.1 Strategic plans for Deltic

Viario Bidco views the licence interests held by Deltic to offer significant synergies to its existing portfolio and its intention is to continue to invest in and expand its upstream operations in the UK North Sea.

Viario Bidco therefore intends to integrate Deltic's licence interests to its UK portfolio of producing and exploration assets. In particular, Viario Bidco would leverage its expertise and provide the required funding to support the development of the Selene discovery, which would add to its near-term production growth in the UK. Additionally, the Blackadder exploration opportunity is close to existing Viario Bidco infrastructure and, if successful, could add to near term production and extend the life of the potential host facilities. As previously stated, Viario Bidco would be providing the required capital to fund Deltic's obligations under its current licences and in particular funding its share of the Selene discovery.

10.2 Management and employees

Viario Bidco attaches great importance to the skills, knowledge, and expertise of Deltic's employees and, subject to this paragraph 10.2, expects that the existing employees of Deltic will contribute and be key to its future long-term success.

It is expected that the non-executive directors of Deltic will resign with effect from completion of the Acquisition.

It is also expected that, upon completion of the Acquisition, the Chief Executive Officer and Chief Financial Officer will formally step down from their pre-completion roles. Following completion of the Acquisition, Viario Bidco intends to undertake a comprehensive resourcing assessment which might result in reassigning both individuals to other suitable operational positions within the company or result in potential headcount reductions or material changes to their conditions of employment, as required to align with Viario Bidco's operating model. Furthermore, Viario Bidco intends to reduce Deltic's headquarter administrative headcount, as a result of the relocation of Deltic's London headquarter to Viario Bidco's headquarter, as described below, which will affect one relevant additional employee.

The above-mentioned assessment on resourcing could therefore lead to a total reduction of up to five positions from Deltic's seven-person headcount, including non-executive directors.

As Deltic's operations expand under Viario Bidco's ownership, additional business support functions for the Deltic Group may be required and may be established as part of the Viario Group. Any headcount reductions would be carried out in accordance with applicable law (including, in jurisdictions

where relevant, informing and consulting obligations). Notwithstanding this, Viaro Bidco believes that it is well-positioned to materially accelerate the development of Deltic's portfolio, which would in turn create greater employment opportunities for existing and future employees over the longer term.

10.3 **Existing rights and pensions**

Viaro Bidco confirms that, following the Scheme becoming Effective, the existing contractual and statutory rights of all Deltic management and employees will be honoured and will be fully safeguarded in accordance with applicable law.

Deltic makes contributions to defined contribution pension schemes on behalf of a number of qualifying employees and Viaro Bidco intends that these arrangements would remain in place. Viaro Bidco does not intend to make any material changes to the current employer pension contribution arrangements.

10.4 **Incentivisation arrangements**

Following the Scheme becoming Effective, Viaro Bidco intends to review Deltic's management and employee incentive structures. Other than initial intention statements, Viaro Bidco has not entered into and has not had discussions on proposals to enter into any form of incentivisation arrangements with members of Deltic's management or employees but intends to have discussions with respect to such arrangements following the Effective Date.

10.5 **Headquarters, locations, fixed assets and research and development**

Viaro Bidco intends to relocate Deltic's London headquarter and headquarter functions to Viaro Bidco's offices in London. Viaro Bidco does not intend to make any other material changes to Deltic's fixed assets.

Deltic does not have any research and development functions and Viaro Bidco does not intend to create such functions.

10.6 **Trading facilities**

Deltic Shares are currently admitted to trading on AIM. It is intended that on or shortly after the Effective Date a request will be made to the London Stock Exchange to cancel trading in Deltic Shares and to cancel the admission of the Deltic Shares to trading on AIM, following which Deltic would be re-registered as a private limited company.

None of the statements in this paragraph 10.1 to 10.6 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

11 Deltic Share Option Plans

Participants in the Deltic Share Option Plans will be contacted regarding the effect of the Acquisition on their rights under the Deltic Share Option Plans and appropriate proposals, which reflect their rights under the Deltic Share Option Plans, will be made to such participants in due course. Details of the impact of the Scheme on each of the Deltic Share Option Plans and the proposals will be set out in the Scheme Document and in separate letters to be sent to participants in the Deltic Share Option Plans.

However, in summary, options granted under the Company's Share Option Plan and Enterprise Management Incentives Plan have exercise prices higher than the Consideration being offered by Viaro Bidco for Deltic Shares. As a result, given that no options that remain exercisable have an exercise price lower than the Consideration, no options are expected to be exercised.

12 Financing

Cash Consideration

The Cash Consideration payable by Viaro Bidco under the terms of the Acquisition will be funded from its existing cash resources. Hannam & Partners, in its capacity as financial adviser to Viaro Bidco, is satisfied that sufficient resources are available to Viaro Bidco to enable it to satisfy in full the Cash Consideration payable under the terms of the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

Bridge Financing

On 30 June 2025, in connection with the Acquisition, Viaro Bidco entered into the Facility Letter with Deltic. Pursuant to the terms of the Facility Letter, Viaro Bidco has agreed to make available to Deltic a term loan facility of up to £2.7 million. The Bridge Financing will be available to be used for general corporate and working capital purposes. The Bridge Financing will (subject to customary conditions at the time of each utilisation) be available to Deltic to draw down in tranches no more frequently than once in any one month period and in amounts based on the anticipated cash flow requirements of Deltic and its subsidiaries for that period), until the availability for draw down ceases on 30 November 2025. No further utilisation requests may be made after such date without the consent of Viaro Bidco.

According to the current anticipated timetable, the Acquisition is expected to become Effective during Q4 2025. Any drawn down amounts under the Bridge Financing shall be repayable two years from the

date of the Facility Letter unless any of the following occurs before that time, in which case the Bridge Financing will be required to be repaid in full within ten business days upon such occurrence:

- any Recommended Third Party Offer;
- the sale of all or substantially all of the assets of Deltic whether in a single transaction or a series of related transactions; or
- it becomes illegal for Viaro Bidco to fund or maintain its participation in the financing and Viaro Bidco is unable to transfer its interest in the Bridge Financing to another lender.

Interest will accrue at a rate of 10 per cent. per annum on the principal drawn down pursuant to the Facility Letter.

13 Offer-related arrangements

Confidentiality Agreement

On 16 May 2025, Viaro Bidco and Deltic entered into a confidentiality agreement (the "**Confidentiality Agreement**") in connection with the Acquisition, pursuant to which, amongst other things, Viaro Bidco has undertaken to keep confidential information relating to Deltic and/or to the Acquisition and not to disclose it to third parties (with certain exceptions) and to use such confidential information only in connection with the Acquisition. These confidentiality obligations will remain in force until the earlier of (i) two years from the date of the Confidentiality Agreement; and (ii) the date of completion of the Acquisition, except where expressly provided otherwise in the terms of the Confidentiality Agreement.

The Confidentiality Agreement contains standstill provisions which restrict Viaro Bidco from acquiring or offering to acquire interests in the securities of Deltic, with those restrictions ceasing to apply upon the release of this Announcement.

Cost Coverage Agreement

On 25 June 2025, Viaro Bidco and Deltic entered into a cost coverage agreement (the "**Cost Coverage Agreement**") in connection with the Acquisition. Pursuant to the Cost Coverage Agreement, Viaro Bidco has undertaken to pay, or procure the payment of, Deltic's reasonably and properly incurred legal, financial, and related professional advisory fees, costs, and expenses in connection with the Acquisition up to and including the date on which any of the following events occur:

- prior to the release of this Announcement, Viaro Bidco (i) ceases discussions and negotiations regarding the Acquisition or (ii) materially changes the terms of the Acquisition;
- Viaro Bidco announces that it does not intend to make or proceed with the Acquisition and no new, revised or replacement Scheme or Takeover Offer is announced in accordance with Rule 2.7 of the Takeover Code at the same time;
- following release of this Announcement, a Condition has become incapable of fulfilment or satisfaction (unless such Condition has become incapable of fulfilment or satisfaction as a direct result of Deltic failing to provide information within its control to Viaro Energy or to a third party in connection with any third party clearances); or
- if the Scheme is withdrawn or lapses, or the Takeover Offer lapses, for the purposes of the Takeover Code;

(each, a "**Trigger Event**").

The costs undertaking is capped at a maximum aggregate amount of either (i) prior to the release of this Announcement, £120,000 (excluding any amounts of VAT payable thereon), or (ii) following the release of this Announcement, £650,000 (excluding any amounts of VAT payable thereon).

The costs undertaking shall not apply if, prior to a Trigger Event occurring, (i) a Recommended Third Party Offer is made, (ii) there is a Deltic Board Adverse Recommendation Change, (iii) a Competing Proposal completes, becomes effective or becomes or is declared unconditional or (iv) the Scheme becomes incapable of becoming effective as a result of the failure to obtain the requisite majorities of shareholder approval by the Deltic Shareholders at the shareholder meetings required to approve or implement the Scheme (including the General Meeting and the Court Meeting), provided that such failure is not attributable to certain actions or omissions of Viaro Bidco.

Facility Letter

Pursuant to the terms of the Facility Letter, Viaro Bidco has agreed to provide a term loan facility to Deltic of up to £2.7 million. Deltic may utilise the facility for general corporate and working capital purposes of the Deltic Group. Details of the Facility Letter are set out in paragraph 12 above.

14 Structure of the Acquisition Structure

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement between Deltic and the Scheme Shareholders under Part 26 of the Companies Act. Viaro Bidco reserves the right to elect to effect the Acquisition by way of a Takeover Offer (subject to the consent of the Panel).

The purpose of the Scheme is to provide for Viaro Bidco to become the holder of the entire issued and to be issued ordinary share capital of Deltic. This is to be achieved by the transfer of the Scheme Shares to Viaro Bidco, in consideration for which Scheme Shareholders will receive the Cash Consideration on the basis set out in paragraph 2 of this Announcement.

The Cash Consideration payable under the terms of the Acquisition will be dispatched to Deltic Shareholders within 14 days of the Effective Date.

Conditions to the Acquisition

The Acquisition is subject to the Conditions, certain further terms referred to in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document, and shall only become Effective if, among other things, the following events occur on or before the Long Stop Date:

- a resolution to approve the Scheme is passed by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted by those Scheme Shareholders;
- the Deltic Resolution(s) required to implement the Acquisition are duly passed by Deltic Shareholders at the General Meeting (which will require approval of Deltic Shareholders representing at least 75 per cent. of the votes validly cast at such General Meeting, either in person or by proxy);
- following the Court Meeting and the General Meeting, the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by Viaro Bidco and Deltic); and
- following such sanction, a copy of the Court Order is delivered to the Registrar of Companies.

The Conditions in paragraph 2 of Part 1 of Appendix 1 to this Announcement, provide that the Scheme will lapse if:

- the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date, if any, (a) as Viaro Bidco and Deltic may agree or (b) (in a competitive situation) as may be specified by Viaro Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow);
- the Court hearing to sanction the Scheme is not held on or before the 22nd day after the expected date of such hearing to be set out in the Scheme Document in due course (or such later date, if any, (a) as Viaro Bidco and Deltic may agree or (b) (in a competitive situation) as

may be specified by Viaro Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow); or

- the Scheme does not become Effective on or before the Long Stop Date (or such later date, if any, (a) as Viaro Bidco and Deltic may agree or (b) (in a competitive situation) as may be specified by Viaro Bidco with the consent of the Panel, and in each case that (if so required) the Court may allow).

Effect of the Scheme and publication of the Scheme Document

Subject to the satisfaction (or, where applicable, waiver) of the Conditions and the further terms set out in Appendix 1 to this Announcement, the Scheme is expected to become Effective in Q4 of 2025.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, regardless of whether or not they attended or voted at the Court Meeting or the General Meeting (and, if they attended and voted, whether or not they voted in favour); and (ii) entitlements to Deltic Shares held within the CREST system will be cancelled; and (iii) share certificates in respect of Deltic Shares will cease to be valid. Deltic Shareholders shall be required to return share certificates to Deltic or destroy them following the Effective Date.

Any Deltic Shares issued before the Scheme Record Time will be subject to the terms of the Scheme and any Deltic Shares issued following the Scheme Record Time will be transferred to Viaro Bidco (or as it may direct) in exchange for the same consideration as would be due under the Scheme (in each case, subject to the Scheme becoming Effective in accordance with its terms). The Deltic Resolution(s) at the General Meeting will, amongst other things, provide that the Deltic Articles be amended to incorporate provisions requiring any Deltic Shares issued after the Scheme Record Time (other than to Viaro Bidco and/or its nominees) to be automatically transferred to Viaro Bidco (and, where applicable, for the Cash Consideration to be paid to the original recipient of the Deltic Shares so issued) on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the Deltic Articles (as amended) will avoid any person (other than Viaro Bidco and its nominees) holding shares in the capital of Deltic after the Effective Date.

Further details of the Scheme, including expected times and dates for each of the Court Meeting, the General Meeting and the Sanction Hearing, together with notices of the Court Meeting and General Meeting, will be set out in the Scheme Document. The Scheme Document, together with the associated forms of proxy, will be made available to Deltic Shareholders as soon as reasonably practicable, and in any event within 28 days of this Announcement (or such later time as Viaro Bidco, Deltic and the Panel agree and, if required, the Court may approve). The General Meeting is expected to be held immediately after the Court Meeting.

The Scheme will be governed by English law and is subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the FCA and the AIM Rules.

15 Cancellation of trading of shares and re-registration

It is intended that an application will be made to the London Stock Exchange to cancel the admission to trading in Deltic Shares on AIM, with such cancellation expected to take effect shortly after the Effective Date. The last day of dealings in, and registration of transfers of, Deltic Shares on AIM is expected to be the Business Day immediately prior to the Effective Date, and no transfers will be registered after 6.00 pm (London time) on that date.

On the Effective Date, share certificates in respect of Deltic Shares will cease to be valid and entitlements to Deltic Shares held within the CREST system will be cancelled. Deltic Shareholders shall be required to return share certificates to Deltic or destroy them following the Effective Date.

It is also proposed that, following the Effective Date and after the cancellation of its shares from trading, Deltic will be re-registered as a private limited company under the relevant provisions of the Companies Act.

16 Disclosure of interests in Deltic

As at the close of business on the Latest Practicable Date, save for the irrevocable undertakings referred to in paragraph 7 of this Announcement, neither Viaro Bidco, nor any of its directors, nor, so far as Viaro Bidco is aware, any person acting in concert (within the meaning of the Takeover Code) with any of them for the purposes of the Acquisition had:

- 16.1 any interest in or right to subscribe for any relevant securities of Deltic;
- 16.2 any short positions in respect of relevant securities of Deltic (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- 16.3 borrowed or lent any relevant securities of Deltic (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed relevant securities of Deltic which had been either on-lent or sold; or
- 16.4 entered into any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

17 General

Viaro Bidco reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of Deltic as an alternative to the Scheme. In such event, the Acquisition will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in method effecting the Acquisition including, without limitation, the inclusion of an acceptance condition set at 75 per cent. of the Deltic Shares (or such other percentage as Viaro Bidco and Deltic may agree after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the Deltic Shares), the inclusion of a long-stop date on which the Takeover Offer will cease to proceed, will lapse or will be withdrawn in certain circumstances, and those amendments required by, or deemed appropriate by, Viaro Bidco under applicable law.

The Acquisition will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document in due course. The sources and bases of certain financial information contained in this Announcement are set out in Appendix 2 to this Announcement. A summary of the irrevocable undertakings given in relation to the Acquisition is contained in Appendix 3 to this Announcement. Certain terms used in this Announcement are defined in Appendix 4 to this Announcement.

This Announcement does not constitute an offer or an invitation to purchase or subscribe for any securities. Such offer will be contained in the Scheme Document. Deltic Shareholders are advised to read carefully the Scheme Document and associated forms of proxy once they have been dispatched.

The availability of the Acquisition to Deltic Shareholders who are not resident in and citizens of the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. Any decision in respect of, or other response to, the Acquisition should be made only on the basis of the information contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document).

Deltic will prepare the Scheme Document to be distributed to Deltic Shareholders. Deltic and Viaro Bidco urge Deltic Shareholders to read the Scheme Document (or any other document by which the Acquisition is made) in full when it becomes available because it will contain important information relating to the Acquisition, including details of how to vote in respect of the Scheme.

The statements contained in this Announcement are made as at the date of this Announcement, unless some other time is specified in relation to them, and publication of this Announcement shall not give rise to any implication that there has been no change in the facts set forth in this Announcement since such date.

This Announcement does not constitute a prospectus or prospectus equivalent document.

Overseas jurisdictions

The release, publication or distribution of this Announcement in jurisdictions other than the United Kingdom, and the availability of the Acquisition to Deltic Shareholders who are not resident in the United Kingdom, may be restricted by the laws of those jurisdictions and therefore persons into whose possession this Announcement comes should inform themselves about and observe such restrictions. In particular, the ability of persons who are not resident in the United Kingdom to vote their Deltic Shares with respect to the Scheme at the Court meeting, or to execute and deliver forms of proxy appointing another to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Further details in relation to Overseas Shareholders will be contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document). Any failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Viaro Bidco or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction. Accordingly, copies of this Announcement and all documents relating to the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction, and persons receiving this Announcement and all documents relating to the Acquisition (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such Restricted Jurisdiction. If the Acquisition is implemented by way of Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into, or by use of mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from within any Restricted Jurisdiction.

This Announcement has been prepared in connection with proposals in relation to a scheme of arrangement pursuant to and for the purpose of complying with English law and the Takeover Code and information disclosed may not be the same as that which would have been disclosed if this

Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom. Nothing in this Announcement should be relied on for any other purpose.

The Acquisition shall be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange, the FCA and the AIM Rules.

Additional information for US investors

The Acquisition relates to the shares of an English company and is being made by means of a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the disclosure requirements of the US tender offer and proxy solicitation rules.

If, in the future, Viaro Bidco exercises its right to implement the Acquisition by way of a Takeover Offer, which is to be made into the US, such Takeover Offer will be made in compliance with the applicable US laws and regulations, including Section 14(e) and Regulation 14E under the US Exchange Act. Such a Takeover Offer would be made in the US by Viaro Bidco and no one else.

In accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the U.S. Exchange Act, Viaro Bidco, its affiliates, their advisers and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Deltic outside the Acquisition, such as in open market purchases or privately negotiated purchases, during the period in which the Acquisition remains open for acceptance. If such purchases or arrangements to purchase were to be made, they would comply with applicable law, including UK laws and the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required under UK laws and will be available to all investors (including US investors) via the Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com. To the extent that such information is required to be publicly disclosed in the UK in accordance with applicable regulatory requirements, this information will, as applicable, also be publicly disclosed in the United States.

It may be difficult for US holders of Deltic Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Acquisition, since Viaro Bidco and Deltic are located in non-US jurisdictions, and some or all of their officers and directors may be residents of non-US jurisdictions. US holders of Deltic Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

The financial information included in this Announcement, or that may be included in the Scheme Document, has been prepared in accordance with accounting standards applicable in the United

Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US ("**US GAAP**"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

Neither the Acquisition nor this Announcement have been approved or disapproved by the US Securities and Exchange Commission, any state securities commission in the United States or any other US regulatory authority, nor have such authorities approved or disapproved or passed judgement upon the fairness or the merits of the Acquisition, or determined if the information contained in this Announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Deltic Shares pursuant to the Acquisition will likely be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other, tax laws. Each US holder of Deltic Shares is urged to consult their independent legal, tax and financial advisers regarding the tax consequences of the Acquisition applicable to them, including under applicable US state and local, as well as overseas and other, tax laws.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

PART 2

FURTHER TERMS OF THE ACQUISITION

- 1 The Conditions set out in paragraphs 2.1, 2.2 and 3.1 to 3.9 (inclusive) of Part 1 above must each be fulfilled, determined by Viaro Bidco to be or to remain satisfied or (if capable of waiver) be waived by Viaro Bidco prior to the commencement of the Sanction Hearing, failing which the Scheme will lapse.
- 2 Notwithstanding the paragraph above, subject to the requirements of the Panel and the Takeover Code, Viaro Bidco reserves the right in its sole discretion to waive:
 - 2.1 the deadlines set out in paragraph 1 of Part 1 above, and any of the deadlines set out in paragraphs 2.1(ii), 2.2(ii) and 2.3(ii) of Part 1 above for the timing of the Court Meeting, the General Meeting and/or the Sanction Hearing. If any such deadline is not met, Viaro Bidco will make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Deltic to extend the deadline in relation to the relevant Condition. For the avoidance of doubt, the Conditions set out in paragraphs 2.1(i), 2.2(i), 2.3(i), and 2.4 of Part 1 above cannot be waived; and
 - 2.2 in whole or in part, all or any of the above Conditions set out in paragraphs 3.1 to 3.9 (inclusive) of Part 1 above.
- 3 Viaro Bidco shall be under no obligation to waive (if capable of waiver), to determine to be satisfied or to or treat as satisfied any of the Conditions by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
- 4 If Viaro Bidco is required by the Panel to make an offer for Deltic Shares under the provisions of Rule 9 of the Takeover Code, Viaro Bidco may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of Rule 9.
- 5 Under Rule 13.5(a) of the Takeover Code and subject to paragraph 6, Viaro Bidco may only invoke a Condition that is subject to Rule 13.5(a) of the Takeover Code so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel and any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by Viaro Bidco. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to Viaro Bidco in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
- 6 Conditions 1, 2.1, 2.2, 2.3 and 2.4 of Part 1 above and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code.

- 7 The Deltic Shares to be acquired under the Acquisition will be acquired with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions and any return of capital (whether by reduction of share capital or share premium account or otherwise) declared, made, paid or becoming payable by reference to a record date falling on or after the Effective Date (other than any dividend, distribution or return of capital in respect of which a corresponding reduction in the consideration payable under the terms of the Acquisition has been made as described in paragraph 8 below).
- 8 Subject to the terms of the Acquisition, if, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of Deltic Shares, Viaro Bidco reserves the right to reduce the Cash Consideration payable under the terms of the Acquisition by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case: (i) any reference in this Announcement or in the Scheme Document to the Cash Consideration for the Deltic Shares will be deemed to be a reference to the Cash Consideration as so reduced; and (ii) the relevant Deltic Shareholders will be entitled to receive and retain any such dividend and/or other distribution and/or return of capital authorised, declared, made or paid. To the extent that any such dividend, distribution or return of capital is authorised, declared, made or paid or becomes payable: (i) pursuant to the Acquisition on a basis which entitles Viaro Bidco to receive the dividend or distribution or return of capital and to retain it; or (ii) is subsequently cancelled, the Cash Consideration will not be subject to change in accordance with this paragraph. Any exercise by Viaro Bidco of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
- 9 Viaro Bidco reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the offer will be implemented on substantially the same terms subject to appropriate amendments, including (without limitation) an acceptance condition set at 75 per cent. (or such other percentage as Viaro Bidco and Deltic may agree after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the Deltic Shares), so far as applicable, as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Deltic Shares are otherwise acquired, it is the intention of Viaro Bidco to apply the provisions of the Companies Act to acquire compulsorily any outstanding Deltic Shares to which such Takeover Offer relates.
- 10 The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable legal and regulatory requirements.
- 11 The Acquisition is not being made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic

transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.

- 12 The Acquisition will be governed by English law and is subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Appendix 1 to this Announcement, and to the full terms and Conditions to be set out in the Scheme Document. The Acquisition will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange (including the AIM Rules) and the FCA.
- 13 Each of the Conditions will be regarded as a separate Condition and will not be limited by reference to any other Condition.
