Proposed offer for Deltic Energy Plc**1. INTRODUCTION**

FOR IMMEDIATE RELEASE

7 May 2026

RECOMMENDED CASH ACQUISITION OF

DELTIC ENERGY PLC ("DELTIC" OR THE "COMPANY")

BY

NEO NEXT+ ENERGY UPSTREAM UK LIMITED ("NEO NEXT+")

to be effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

Summary

- The boards of NEO NEXT+ and Deltic are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of the entire issued and to be issued ordinary share capital of Deltic (the "**Acquisition**").
- Under the terms of the Acquisition, which will be subject to the Conditions and other terms set out in this Announcement and to the full terms and conditions to be set out in the Scheme Document, Deltic Shareholders will be entitled to receive:

for each Deltic Share: 7.7 pence in cash
(the "**Cash Consideration**")

The Cash Consideration represents a premium of approximately 156.7 per cent. to the Closing Price of 3.0 pence per Deltic Share on 21 April 2026 (being the last trading day before the commencement of the Offer Period).

The Acquisition values the entire issued and to be issued share capital of Deltic at approximately £7.2 million on a fully diluted basis.

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of the Deltic Shares, NEO NEXT+ reserves the right to reduce the Cash Consideration payable under the terms of the Acquisition by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case Deltic

Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital. Any exercise by NEO NEXT+ of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition.

In connection with the Acquisition, NEO NEXT+ has agreed to provide a bridging loan of up to £2.9 million (the "**Bridge Financing**") to repay the bridging loan provided to Deltic in connection with the RockRose Offer, including any fees, costs and expenses due and payable to RockRose in relation to such repayment (further details of which are set out in paragraph 13 below).

In addition, in consideration for Deltic engaging in discussions with NEO NEXT+ in connection with the Acquisition, NEO NEXT+ has undertaken to pay, or procure the payment of, certain costs reasonably and properly incurred by Deltic in the event that the Acquisition does not complete due to the occurrence of certain trigger events (further details of which are set out in paragraph 13 below).

It is intended that the Acquisition will be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, NEO NEXT+ reserves the right to elect to implement the Acquisition by way of a Takeover Offer (subject to the consent of the Panel).

Background to and reasons for the Acquisition

The Wider NEO NEXT+ Group is the largest oil and gas producer in the UK North Sea and has grown rapidly through both acquisition and organic growth. Since the beginning of 2025 the Wider NEO NEXT+ Group has announced five transactions to consolidate its interests in the UK North Sea, namely:

- Strategic merger with Repsol Resources UK;
- Corporate acquisition of Gran Tierra North Sea Limited;
- Asset acquisition of 32% interest in Culzean;
- Strategic merger with TotalEnergies' UK business;
- Corporate acquisition of Sojitz Energy Development Limited.

The Wider NEO NEXT+ Group's ambition is to be a safe, top-tier operator on the UK Continental Shelf that generates leading financial returns.

The proposed acquisition of Deltic is consistent with this ambition and continues the Wider NEO NEXT+ Group's strategy to grow its UK North Sea business.

Deltic's strategy today

Deltic's strategy as an investing company has been focussed on the identification and maturation of new or overlooked exploration activities in the UK North Sea with a particular focus on the Southern North Sea Gas basin. Deltic typically identified opportunities and applied for licences at 100% working interest, with the intention of reducing capital exposure to the projects by bringing partners to fund key aspects of the work programme including seismic acquisition and exploration drilling activities with the option to crystallise value from the assets prior to incurring the costs associated with offshore developments. This approach saw Deltic successfully farm-out a number of licences to established partners, two 3D seismic surveys acquired and two exploration wells drilled, both of which resulted in major discoveries at Pensacola and Selene.

Given the uncertain fiscal and policy environment which has persisted in recent years in the UK, it has become extremely challenging to both continue funding the Deltic business model via the equity markets or to realise significant value from exploration success.

Recommendation

The Deltic Directors, who have been so advised by Allenby Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable.

In providing advice to the Deltic Directors, Allenby Capital has taken into account the commercial assessments of the Deltic Directors.

Allenby Capital is providing independent financial advice to the Deltic Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Deltic Directors intend to unanimously recommend that the Deltic Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and vote (or procure votes) in favour of the Deltic Resolution(s) at the General Meeting as the Deltic Directors who hold Deltic Shares have irrevocably undertaken to do in respect of 240,336 Deltic Shares in total, representing in aggregate approximately 0.26 per cent. of Deltic's ordinary share capital in issue as at the Latest Practicable Date. The irrevocable undertakings given by the Deltic Directors remain binding in the event a higher competing offer is made for Deltic by a third party.

Considerations for the Recommendation

Since 2014, Deltic has been focussed on its UK gas exploration strategy which has delivered material success, including farm-outs to Shell, Capricorn Energy and Dana Petroleum and two significant gas discoveries in the Southern North Sea at Pensacola and Selene. However, this success has come against a backdrop of volatile oil and gas prices, significant inflationary pressures, an unpredictable UK fiscal regime since the introduction of the Energy Profits Levy in 2022 and

the election of a UK government which has further undermined the UK's domestic oil and gas industry by pledging to end exploration licencing and banning drilling for new oil and gas fields in UK waters.

The Deltic Directors consider that continuing uncertainty around the UK government's support for the domestic oil and gas industry has undermined investor confidence in the sector. This ongoing uncertainty has been especially difficult for smaller exploration or development focussed oil and gas companies which are pre-revenue, many of which have suffered a material erosion in valuation and share liquidity since early 2024.

The 25 per cent. non-operated interest in the Selene discovery represents a material asset for Deltic with material long term cash-flow potential, although it will require substantial additional investment for studies and development capital expenditure prior to delivery of first gas which is currently estimated in early 2031. While debt facilities or gas sales pre-payment options may potentially be available to satisfy the majority of Deltic's capital requirements following a final investment decision, expected in mid-2029, the Deltic Directors consider that Deltic would be wholly reliant on equity funding until that point.

Deltic has accrued debt and deferred liabilities totalling in excess of £5.5 million, including (i) a £2.7 million bridge facility with RockRose in connection with the RockRose Offer (the "**RockRose Facility**") which, as a result of the Acquisition being announced today, is due for repayment on 21 May 2026 and is being replaced by the Bridge Financing; and (ii) deferred payment agreements with Adura in relation to Pensacola, and Shell in relation to Selene, which become payable from September 2026 in relation to Pensacola and the end of August 2026 or on a change of control in relation to Selene. These deferred payment agreements represent a significant deferred liability for Deltic that becomes due for payment prior to first revenues from a potential Selene development in 2031.

Deltic has fully drawn the funds available under the RockRose Facility. It was originally envisaged that funds from this facility would be used to settle outstanding sums owed to Shell in relation to Selene drilling costs and the Pensacola deferred payment agreement. Given the extended regulatory approval period experienced following the announcement, and prior to the lapse, of the RockRose Offer, the funds available under that facility were diverted to meet the general working capital needs of Deltic and ensuring it remained funded for day-to-day operations.

On 12 December 2025, Deltic announced that it had entered into a deferred payment agreement with Shell U.K. Limited as operator of the P2437 Selene licence, in relation to the payment of: (i) in aggregate, £1,530,320, being the sums that have accrued to Deltic's account in relation to the successful Selene exploration well from April 2025 to October 2025; and (ii) any further sums accruing to Deltic in relation to Selene after October 2025.

Under the deferred repayment agreement with Shell, Deltic's payment of these amounts to Shell U.K. Limited was originally deferred to 27 February 2026 and most recently extended to 27 August 2026. Deltic may request further extensions of this date for a total of up to nine months from 27 February 2026, with the decision to grant any such extensions being at Shell U.K. Limited's sole discretion.

In September 2024, Deltic agreed a deferred repayment agreement with its Pensacola joint venture partners whereby Deltic has a 24-month period from September 2024 to repay £0.9 million due to the joint venture. This agreement was subsequently assigned to Adura following the transfer of certain Shell and Equinor UKCS assets into the newly-formed Adura.

It is against this backdrop of continued and increasing cost exposure associated with the development of Selene and a lack of confidence in the equity market's willingness to continue funding UK projects before further clarity is provided by the UK government, that the Deltic Directors have been considering the financial terms of the Acquisition and whether to recommend it to Deltic Shareholders. The Deltic Directors have taken into account a number of factors, including that:

- Despite the quality of the Selene discovery and the current partnership group, there remains a number of significant stage gates in the process of achieving an FID on Selene. Any one of these could lead to the project being cancelled or delayed in response to external events, including further changes to UK government policy, the regulatory regime, the gas price environment and/or capital availability within the joint venture group.
- The cash value per Deltic Share to be received pursuant to the Acquisition represents a premium of 156.7 per cent. to the Closing Price of 3.0 pence per Deltic Share on 21 April 2026 (being the last trading day before the commencement of the Offer Period).
- The Acquisition provides Deltic Shareholders with the opportunity to realise an immediate and certain cash value. The Deltic Directors recognise the market in Deltic Shares over the last year has been relatively illiquid, making it difficult for Deltic Shareholders to realise their investment should they wish to do so.
- As at 31 December 2025, as a result of drawing down funds available under the RockRose Facility, Deltic had unaudited cash resources totalling £1.65 million. Subsequent to that period end, the cash position of Deltic has reduced as a result of normal operational expenditure such that, as at 31 March 2026, Deltic's unaudited cash balance was c.£1.0 million.
- Deltic expects to receive a payment of \$1 million (or c. £800,000) from Dana Petroleum in relation to its 2024 farm-in to Selene in May 2026, contingent only on Dana Petroleum remaining a partner in relation to the P2437 licence beyond 12 May 2026.
- Whilst cash levels continue to be carefully managed, in the absence of the Acquisition proceeding, the Deltic Directors anticipate that Deltic would be required to raise additional capital before August 2026 to: (i) continue to fund Deltic's share of the Selene work program until value can be realised from the Selene asset; (ii) allow Deltic to cover its existing and potential additional deferred liabilities to RockRose, Shell and Adura and (iii) to cover Deltic's general corporate costs beyond Q3 2026.
- In light of Deltic's requirement to access additional capital during August 2026, the Deltic Board has explored the potential options to fund the business until first revenues on Selene could potentially be

achieved, including assessing the possibility of an equity fundraise. However, given the difficult market conditions referred to above and having discussed with Deltic's largest shareholder and previously with other potential existing and new investors their appetite to provide further funding, the Deltic Directors do not have confidence in Deltic's ability to raise sufficient funds through an issue of equity. The Deltic Directors also believe that, given the stage of Deltic's investments, providers of debt finance would be unwilling to provide the required debt facilities to Deltic.

- Against this backdrop, the Deltic Directors believe that the Acquisition represents certainty for Deltic Shareholders in relation to the future of Deltic. The Deltic Directors also believe that, in the absence of alternative funding to settle the deferred liabilities and the Acquisition progressing, Deltic would be in an extremely challenging financial position, and the Deltic Directors may have no option but to place Deltic into administration. Should administrators be appointed, it is not known how much, if any, value would be returned to Deltic Shareholders.
- The Deltic Directors have also considered NEO NEXT+'s stated intentions for Deltic's business, assets, management and staff and other stakeholders of Deltic.

Following careful consideration of the financial terms of the Acquisition, the combination of value and certainty that the terms of the Acquisition provide to Deltic Shareholders and the factors noted above, the Deltic Directors intend to unanimously recommend the Acquisition to the Deltic Shareholders.

Irrevocable Undertakings

NEO NEXT+ has received irrevocable undertakings to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Deltic Resolution(s) at the General Meeting from:

- IPGL Limited in respect of 14,678,781 Deltic Shares, representing approximately 15.77 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date;
- RockRose Energy Limited in respect of 3,592,880 Deltic Shares, representing approximately 3.86 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date;
- Lord Spencer of Alresford in respect of 2,855,357 Deltic Shares, representing approximately 3.07 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date; and
- Sarah Flavell in respect of 30,172 Deltic Shares, representing approximately 0.03 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date.

The Directors of Deltic have also given irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Deltic Resolution(s) at the General Meeting in respect of an additional 240,336 Deltic Shares, representing approximately 0.26 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date.

- The Acquisition is conditional on, among other things, the approval of the requisite majority of the Scheme Shareholders at the Court Meeting and Deltic Shareholders at the General Meeting. - The Scheme is expected to become Effective in Q3 of 2026, subject to the satisfaction or, where permitted, waiver of the Conditions set out in Appendix 1 to this Announcement.

Commenting on the Acquisition, John Knight, Chairman of NEO NEXT+, said:

"The acquisition of Deltic is consistent with our stated objective of continuing to consolidate ownership positions in the UK North Sea. This transaction represents the 6th transaction of the Wider NEO NEXT+ Group since the beginning of 2025. The Deltic portfolio offers attractive future development potential which we will integrate into our wider portfolio of opportunities. We thank the Deltic team for their co-operation and look forward to working with them to conclude this transaction."

Commenting on the Acquisition, Andrew Nunn, CEO of Deltic, said:

"The last 12 months has been a period of significant uncertainty for Deltic, its shareholders, employees and other stakeholders. Following the lapsing of the proposed acquisition of Deltic by RockRose Energy Limited, we received a number of approaches in relation to Deltic and its assets. NEO NEXT+'s offer represents the best value and certainty for Deltic shareholders, and we are therefore delighted to have reached agreement on the terms of the Acquisition which should also provide a good home for the quality assets the Deltic team has progressed in recent years."

Additional information for US investors

The Acquisition relates to the shares of an English company with a listing on AIM and is proposed to be implemented pursuant to a scheme of arrangement provided for under English company law. A transaction effected by means of a

scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the procedural and disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the requirements of the US tender offer and proxy solicitation rules.

If, in the future, NEO NEXT+ exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend such Takeover Offer, such Takeover Offer will be made in compliance with all applicable US laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the US by NEO NEXT+ and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (if applicable), NEO NEXT+, its affiliates, their advisers and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Deltic outside the Acquisition, such as in open market purchases or privately negotiated purchases, during the period in which the Acquisition remains open for acceptance. If such purchases or arrangements to purchase were to be made, they would comply with applicable law, including UK laws and the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required under UK laws and will be available to all investors (including US investors) via the Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

It may be difficult for US holders of Deltic Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Acquisition, since NEO NEXT+ and Deltic are located in non-US jurisdictions, and some or all of their officers and directors may be residents of, and some or all of their assets may be located in, non-US jurisdictions. US holders of Deltic Shares may have difficulty effecting service of process within the United States upon those persons or recovering against judgments of US courts, including judgments based upon the civil liability provisions of the US federal securities laws. US holders of Deltic Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

*The financial information included in this Announcement, or that may be included in the Scheme Document, has been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US ("**US GAAP**"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this Announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).*

Neither the Acquisition nor this Announcement have been approved or disapproved by the US Securities and Exchange Commission, any state securities commission in the United States or any other US regulatory authority, nor have such authorities approved or disapproved or passed judgement upon the fairness or the merits of the Acquisition, or

determined if the information contained in this Announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Deltic Shares pursuant to the Acquisition may be a taxable transaction for US federal income tax purposes, and may also be a taxable transaction under applicable state and local tax laws, as well as foreign and other tax laws. In particular, US holders of Deltic Shares should be aware that Deltic may be classified as a Passive Foreign Investment Company ("PFIC") for US federal income tax purposes, which could result in adverse US federal income tax consequences. Each US holder of Deltic Shares is urged to consult its independent professional adviser immediately regarding the tax consequences of the Acquisition, including the potential application of the PFIC rules.

FOR IMMEDIATE RELEASE

7 May 2026

**RECOMMENDED CASH ACQUISITION OF
DELTIC ENERGY PLC ("DELTIC" OR THE "COMPANY")**

BY

NEO NEXT+ ENERGY UPSTREAM UK LIMITED ("NEO NEXT+")

to be effected by means of a Scheme of Arrangement under Part 26 of the Companies Act 2006

1 Introduction

The boards of NEO NEXT+ and Deltic are pleased to announce that they have reached agreement on the terms of a recommended cash acquisition of the entire issued and to be issued ordinary share capital of Deltic (the "**Acquisition**"). It is intended that the Acquisition will be implemented by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act.

2 The Acquisition

Under the terms of the Scheme, which will be subject to the Conditions and other terms set out in this Announcement and to the full terms and conditions to be set out in the Scheme Document, Deltic Shareholders will be entitled to receive:

For each Deltic Share:	7.7 pence in cash
	(the " Cash Consideration ")

The Cash Consideration represents a premium of approximately 156.7 per cent. to the Closing Price of 3.0 pence per Deltic Share on 21 April 2026 (being the last trading day before the commencement of the Offer Period).

The Acquisition values the entire issued and to be issued share capital of Deltic at approximately £7.2 million on a fully diluted basis.

If, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of Deltic Shares, NEO NEXT+ reserves the right to reduce the Cash Consideration payable under the terms of the Acquisition by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case Deltic Shareholders would be entitled to receive and retain any such dividend and/or other distribution and/or return of capital authorised, declared, made or paid.

If and to the extent that any such dividend, distribution or return of value is authorised, declared, made or paid or becomes payable on or prior to the Effective Date, and NEO NEXT+ exercises its rights under this paragraph 2 to reduce the Cash Consideration payable under the terms of the Acquisition, NEO NEXT+ shall make an announcement in respect of the exercise of that right and any reference in this Announcement to the Cash Consideration payable under the terms of the Acquisition shall be deemed to be a reference to the Cash Consideration as so reduced. Any exercise by NEO NEXT+ of its rights referred to in this paragraph shall not be regarded as constituting any revision or variation of the terms of the Scheme or the Acquisition.

In connection with the Acquisition, NEO NEXT+ has agreed to provide a bridging loan of up to £2.9 million (the "**Bridge Financing**") to replace the bridging loan provided to Deltic in connection with the RockRose Offer, including any fees, costs and expenses due and payable to RockRose in relation to such repayment (further details of which are set out in paragraph 13 below).

In addition, in consideration for Deltic engaging in discussions with NEO NEXT+ in connection with the Acquisition, NEO NEXT+ has undertaken to pay, or procure the payment of, certain costs reasonably and properly incurred by Deltic, in the event that the Acquisition does not complete due to the occurrence of certain trigger events (further details of which are set out in paragraph 13 below).

It is intended that the Acquisition will be effected by way of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act. However, NEO NEXT+ reserves the right to elect to implement the Acquisition by way of a Takeover Offer (subject to the consent of the Panel).

It is expected that the Scheme Document (including details of the Court Meeting and the General Meeting), and the forms of proxy accompanying the Scheme Document, will be published as soon as reasonably practicable, and in any event within 28 days of this Announcement (or such later time as NEO NEXT+ and Deltic agree, and the Panel consents) and the Scheme will become Effective in Q3 of 2026, subject to the satisfaction or, where permitted, waiver of the Conditions set out in the Appendix 1 to this Announcement.

An expected timetable of principal events relating to the Acquisition and further information on the actions to be taken by the Deltic Shareholders will be provided in the Scheme Document.

3 Background to and reasons for the Acquisition

The Wider NEO NEXT+ Group is the largest oil and gas producer in the UK North Sea and has grown rapidly through both acquisition and organic growth. Since the beginning of 2025 the Wider NEO NEXT+ Group has announced five transactions to consolidate its interests in the UK North Sea, namely:

- Strategic merger with Repsol Resources UK;
- Corporate acquisition of Gran Tierra North Sea Limited;
- Asset acquisition of 32% interest in Culzean;
- Strategic merger with TotalEnergies' UK business;
- Corporate acquisition of Sojitz Energy Development Limited.

The Wider NEO NEXT+ Group's ambition is to be a safe, top-tier operator on the UK Continental Shelf that generates leading financial returns.

The proposed acquisition of Deltic is consistent with this ambition and continues the Wider NEO NEXT+ Group strategy to grow its UK North Sea business.

4 Deltic's strategy today

Deltic's strategy as an investing company has been focussed on the identification and maturation of new or overlooked exploration activities in the UK North Sea with a particular focus on the Southern North Sea Gas basin. Deltic typically identified opportunities and applied for licences at 100% working interest, with the intention of reducing capital exposure to the projects by bringing partners to fund key aspects of the work programme including seismic acquisition and exploration drilling activities with the option to crystallise value from the assets prior to incurring the costs associated with offshore developments. This approach saw Deltic successfully farm-out a number of licences to established partners, two 3D seismic surveys acquired and two exploration wells drilled, both of which resulted in major discoveries at Pensacola and Selene.

Given the uncertain fiscal and policy environment which has persisted in recent years in the UK, it has become extremely challenging to both continue funding the Deltic business model via the equity markets or to realise significant value from exploration success.

5 Recommendation

The Deltic Directors, who have been so advised by Allenby Capital as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable.

In providing advice to the Deltic Directors, Allenby Capital have taken into account the commercial assessments of the Deltic Directors.

Allenby Capital is providing independent financial advice to the Deltic Directors for the purposes of Rule 3 of the Takeover Code.

Accordingly, the Deltic Directors intend to unanimously recommend that the Deltic Shareholders vote (or procure votes) in favour of the Scheme at the Court Meeting and vote (or procure votes) in favour of the Deltic Resolution(s) at the General Meeting as the Deltic Directors who hold Deltic Shares have irrevocably undertaken to do in respect of 240,336 Deltic Shares in total, representing in aggregate approximately 0.26 per cent. of Deltic's ordinary share capital in issue as at the Latest Practicable Date. The irrevocable undertakings given by the Deltic Directors remain binding in the event a higher competing offer is made for Deltic by a third party.

6 Considerations for the Recommendation

Since 2014, Deltic has been focussed on its UK gas exploration strategy which has delivered material success, including farm-outs to Shell, Capricorn Energy and Dana Petroleum and two significant gas discoveries in the Southern North Sea at Pensacola and Selene. However, this success has come against a backdrop of volatile oil and gas prices, significant inflationary pressures, an unpredictable UK fiscal regime since the introduction of the Energy Profits Levy in 2022 and the election of a UK government which has further undermined the UK's domestic oil and gas industry by pledging to end exploration licencing and banning drilling for new oil and gas fields in UK waters.

The Deltic Directors consider that continuing uncertainty around the UK government's support for the domestic oil and gas industry has undermined investor confidence in the sector. This ongoing uncertainty has been especially difficult for smaller exploration or development focussed oil and gas companies which are pre-revenue, many of which have suffered a material erosion in valuation and share liquidity since early 2024.

The 25 per cent. non-operated interest in the Selene discovery represents a material asset for Deltic with material long term cash-flow potential, although it will require substantial additional investment for studies and development capital expenditure prior to delivery of first gas which is currently estimated in early 2031. While debt facilities or gas sales pre-payment options may potentially be available to satisfy the majority of Deltic's capital requirements following a final investment decision, expected in mid-2029, the Deltic Directors consider that Deltic would be wholly reliant on equity funding until that point.

Deltic has accrued debt and deferred liabilities totalling in excess of £5.5 million, including (i) a £2.7 million bridge facility with RockRose in connection with the RockRose Offer (the "**RockRose Facility**") which, as a result of the Acquisition being announced today, is due for repayment on 21 May 2026 and is being replaced by the

Bridge Financing; and (ii) deferred payment agreements with Adura in relation to Pensacola, and Shell in relation to Selene, which become payable from September 2026 in relation to Pensacola and the end of August 2026 or on a change of control in relation to Selene. These deferred payment agreements represent a significant deferred liability for Deltic that becomes due for payment prior to first revenues from a potential Selene development in 2031.

Deltic has fully drawn the funds available under the RockRose Facility. It was originally envisaged that funds from this facility would be used to settle outstanding sums owed to Shell in relation to Selene drilling costs and the Pensacola deferred payment agreement. Given the extended regulatory approval period experienced following the announcement, and prior to the lapse, of the RockRose Offer, the funds available under that facility were diverted to meet the general working capital needs of Deltic and ensuring it remained funded for day-to-day operations.

On 12 December 2025, Deltic announced that it had entered into a deferred payment agreement with Shell U.K. Limited as operator of the P2437 Selene licence, in relation to the payment of: (i) in aggregate, £1,530,320, being the sums that have accrued to Deltic's account in relation to the successful Selene exploration well from April 2025 to October 2025; and (ii) any further sums accruing to Deltic in relation to Selene after October 2025.

Under the deferred repayment agreement with Shell, Deltic's payment of these amounts to Shell U.K. Limited was originally deferred to 27 February 2026 and most recently extended to 27 August 2026. Deltic may request further extensions of this date for a total of up to nine months from 27 February 2026, with the decision to grant any such extensions being at Shell U.K. Limited's sole discretion.

In September 2024, Deltic agreed a deferred repayment agreement with its Pensacola joint venture partners whereby Deltic has a 24-month period from September 2024 to repay £0.9 million due to the joint venture. This agreement was subsequently assigned to Adura following the transfer of certain Shell and Equinor UKCS assets into the newly-formed Adura.

It is against this backdrop of continued and increasing cost exposure associated with the development of Selene and a lack of confidence in the equity market's willingness to continue funding UK projects before further clarity is provided by the UK government, that the Deltic Directors have been considering the financial terms of the Acquisition and whether to recommend it to Deltic Shareholders. The Deltic Directors took into account a number of factors, including that:

- Despite the quality of the Selene discovery and the current partnership group, there remains a number of significant stage gates in the process of achieving an FID on Selene. Any one of these could lead to the project being cancelled or delayed in response to external events, including further changes to UK

government policy, the regulatory regime, the gas price environment and/or capital availability within the joint venture group.

- The cash value per Deltic Share to be received pursuant to the Acquisition represents a premium of 156.7 per cent. to the Closing Price of 3.0 pence per Deltic Share on 21 April 2026 (being the last trading day before the commencement of the Offer Period).
- The Acquisition provides Deltic Shareholders with the opportunity to realise an immediate and certain cash value. The Deltic Directors recognise the market in Deltic Shares over the last year has been relatively illiquid, making it difficult for Deltic Shareholders to realise their investment should they wish to do so.
- As at 31 December 2025, as a result of drawing down funds available under the RockRose Facility, Deltic had unaudited cash resources totalling £1.65 million. Subsequent to that period end, the cash position of Deltic has reduced as a result of normal operational expenditure such that, as at 31 March 2026, Deltic's unaudited cash balance was c. £1.0 million.
- Deltic expects to receive a payment of \$1 million (or c. £800,000) from Dana Petroleum in relation to its 2024 farm-in to Selene in May 2026, contingent only on Dana Petroleum remaining a partner in relation to the P2437 licence beyond 12 May 2026.
- Whilst cash levels continue to be carefully managed, in the absence of the Acquisition proceeding, the Deltic Directors anticipate that Deltic would be required to raise additional capital before August 2026 to: (i) continue to fund Deltic's share of the Selene work program until value can be realised from the Selene asset; (ii) allow Deltic to cover its existing and potential additional deferred liabilities to RockRose, Shell and Adura and (iii) to cover Deltic's general corporate costs beyond Q3 2026.
- In light of Deltic's requirement to access additional capital during August 2026, the Deltic Board has explored the potential options to fund the business until first revenues on Selene could potentially be achieved, including assessing the possibility of an equity fundraise. However, given the difficult market conditions referred to above and having discussed with Deltic's largest shareholder and previously with other potential existing and new investors their appetite to provide further funding, the Deltic Directors do not have confidence in Deltic's ability to raise sufficient funds through an issue of equity. The Deltic Directors also believe that, given the stage of Deltic's investments, providers of debt finance would be unwilling to provide the required debt facilities to Deltic.
- Against this backdrop, the Deltic Directors believe that the Acquisition represents certainty for Deltic Shareholders in relation to the future of Deltic. The Deltic Directors also believe that, in the absence of alternative funding to settle the deferred liabilities and the Acquisition progressing, Deltic would be in an extremely challenging financial position, and the Deltic Directors may have no option but to place Deltic into administration. Should administrators be appointed, it is not known how much, if any, value would be returned to Deltic Shareholders.
- The Deltic Directors have also considered NEO NEXT+'s stated intentions for Deltic's business, assets, management and staff and other stakeholders of Deltic.

Following careful consideration of the financial terms of the Acquisition, the combination of value and certainty that the terms of the Acquisition provide to Deltic Shareholders and the factors noted above, the Deltic Directors intend to unanimously recommend the terms of the Acquisition.

7 Irrevocable undertakings

NEO NEXT+ has received irrevocable undertakings to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Deltic Resolution(s) at the General Meeting from:

- IPGL Limited in respect of 14,678,781 Deltic Shares, representing approximately 15.77 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date;
- RockRose Energy Limited in respect of 3,592,880 Deltic Shares, representing approximately 3.86 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date;
- Lord Spencer of Alresford in respect of 2,855,357 Deltic Shares, representing approximately 3.07 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date; and
- Sarah Flavell in respect of 30,172 Deltic Shares, representing approximately 0.03 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date.

The Directors of Deltic have also given irrevocable undertakings to vote in favour of the Scheme at the Court Meeting and the Deltic Resolution(s) at the General Meeting in respect of an additional 240,336 Deltic Shares, representing approximately 0.26 per cent. of the ordinary share capital of Deltic in issue as at the Latest Practicable Date.

NEO NEXT+ has therefore received, in aggregate, irrevocable undertakings in respect of 21,397,526 Deltic Shares, representing approximately 22.98 per cent. of Deltic's ordinary share capital in issue as at the Latest Practicable Date.

Further details of these irrevocable undertakings, including the circumstances in which they may lapse, are set out in Appendix 3 to this Announcement.

8 Information relating to NEO NEXT+

NEO NEXT+ is a private company limited by shares. It was incorporated on 11 February 2025 in Scotland with company number SC279865 and is registered under the Companies Act 2006. The address of its registered office is The Silver Fin Building (9th Floor), 455 Union Street, Aberdeen, United Kingdom, AB11 6DB.

NEO NEXT+ is a holding company within the Wider NEO NEXT+ Group and holds investments in companies which are focused on the development and production of oil and gas fields in the United Kingdom Continental Shelf (“UKCS”).

The Wider NEO NEXT+ Group is the largest oil and gas producer on the UKCS with a 2P reserve base of 454.4 mmbob as at 31 December 2025². The Wider NEO NEXT+ Group has well established technical knowledge and expertise across both operated and non-operated assets. The Wider NEO NEXT+ Group is currently the operator of 32 producing fields assets and 1 terminal in the UK North Sea, these include the largest two producing assets in the UKCS, the Culzean field and Elgin-Frankin area.

9 Information relating to Deltic

Deltic is an AIM quoted natural resources investing company which has invested in a number of offshore oil and gas assets in the UK and is focused on realising the additional exploration potential of this proven hydrocarbon province.

Deltic has interests in three offshore licences and further exploration potential has been identified within the existing licence portfolio. Deltic’s exploration experience and licence portfolio is primarily focused on future gas production given the increasing importance of natural gas in the transition to a low carbon future.

10 Strategic plans with regard to the directors, management, employees, pensions, locations and business of the Deltic Group

10.1 Strategic plans for Deltic

NEO NEXT+ views the licence interests held by Deltic as being complementary to its existing portfolio and intends to continue to invest in and expand its upstream operations in the UK North Sea.

NEO NEXT+ therefore intends to integrate Deltic’s licence interests within its wider UK portfolio of producing and development assets. NEO NEXT+ intends to work with the operator, Shell, to assess potential development of the Selene discovery, which could contribute to NEO NEXT+ Group’s near-term production growth in the UK. In addition, the Dewar exploration opportunity is close to existing NEO NEXT+ infrastructure in the Central North Sea and, if successful, could add to near-term production and extend the life of the potential host

² Note: as per TRACS competent persons report adjusted for increase working interests in Elgin-Franklin and Culzean fields post completion of the TotalEnergies merger. Excludes NN+ interests in Glenelg and Alwyn Area.

facilities. As mentioned in paragraph 2 of this Announcement, NEO NEXT+ would be providing funding arrangements to enable Deltic to meet its obligations under its existing licences.

10.2 **Management and employees of Deltic**

NEO NEXT+ recognises the technical experience and expertise of Deltic's employees and, subject to the plans set out in this paragraph 10.2, expects that the existing employees of Deltic will contribute to the future long-term success of the NEO NEXT+ Group.

It is expected that the non-executive directors of Deltic will resign with effect from completion of the Acquisition. It is also expected that, upon completion of the Acquisition, the Chief Executive Officer will resign as a director of the Company and that the Chief Executive Officer shall exit the Deltic Group with effect from completion of the Acquisition. Following completion of the Acquisition, NEO NEXT+ intends to undertake a detailed review of resourcing requirements within six months of closing of the Acquisition which may result in certain roles being reassigned within the Wider NEO NEXT+ Group or result in potential headcount reductions or material changes to their conditions of employment, as required to align with NEO NEXT+'s operating model.

NEO NEXT+ intends to relocate Deltic's London headquarters to NEO NEXT+'s London headquarters, as described below.

As a result of this assessment, it is intended that there will be a reduction of up to four positions from Deltic's seven-person headcount, including non-executive directors.

As Deltic's operations expand under NEO NEXT+'s ownership, additional business support functions for the Deltic Group may be required and may be established as part of the NEO NEXT+ Group. Any headcount reductions would be carried out in accordance with applicable law, including any applicable information and consultation obligations. Despite this, NEO NEXT+ believes that it is well-positioned to materially accelerate the development of Deltic's portfolio, which would in turn create greater employment opportunities for existing and future employees over the longer term.

10.3 **Existing rights and pensions**

Following the Scheme becoming Effective, the existing contractual and statutory rights of all Deltic management and employees will be honoured and will be fully safeguarded in accordance with applicable law.

In accordance with the requirements of the Code, NEO NEXT+ and its subsidiaries confirm that they do not intend to seek or implement, as a result of the Acquisition, any material changes regarding the continued employment of the employees and management of NEO NEXT+ or its subsidiaries, including any material

change in the conditions of employment or in the balance of the skills and functions of those employees and management.

Deltic operates defined contribution pension arrangements for qualifying employees. NEO NEXT+ intends that these arrangements will continue following completion and does not intend to make any material changes to the existing employer pension contribution arrangements.

10.4 Incentivisation arrangements

Following the Scheme becoming Effective, NEO NEXT+ intends to review Deltic's management and employee incentivisation arrangements. NEO NEXT+ has not entered into, and has not had any discussions in relation to, any proposals to enter into any new incentivisation arrangements with members of Deltic's management or employees but intends to have discussions with respect to such arrangements following the Effective Date.

10.5 Headquarters, locations, fixed assets and research and development

Following completion of the Acquisition, NEO NEXT+ intends to relocate Deltic's London headquarters and any remaining headquarter functions to NEO NEXT+'s offices in London. NEO NEXT+ does not intend to make any other material changes to Deltic's fixed assets.

Deltic does not have any research and development functions and NEO NEXT+ does not intend to establish such functions.

Following completion of the Acquisition and other than the growth strategy outlined earlier in this announcement, NEO NEXT+ does not expect there to be any impact on the strategic plans, management, employees and locations of the NEO NEXT+ group's existing business including its group's headquarters and headquarters function.

10.6 Trading facilities

Deltic Shares are currently admitted to trading on AIM. It is intended that on or shortly after the Effective Date a request will be made to the London Stock Exchange to cancel trading in Deltic Shares and to cancel the admission of the Deltic Shares to trading on AIM, following which Deltic would be re-registered as a private limited company.

None of the statements in paragraphs 10.1 to 10.6 are "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

11 Deltic Share Option Plan

Participants in the Deltic Share Option Plan will be contacted regarding the effect of the Acquisition on their rights under the Deltic Share Option Plan and appropriate proposals, which reflect their rights under the Deltic

Share Option Plan, will be made to such participants in due course. Details of the impact of the Scheme on the Deltic Share Option Plan and the proposals will be set out in the Scheme Document and in separate letters to be sent to participants in the Deltic Share Option Plan.

However, in summary, options granted under Deltic's Share Option Plan have exercise prices higher than the Cash Consideration being offered by NEO NEXT+ for Deltic Shares under the terms of the Acquisition. As a result, no options are expected to be exercised.

12 **Financing**

The Cash Consideration payable by NEO NEXT+ under the terms of the Acquisition will be funded from NEO NEXT+'s existing cash resources. Peel Hunt, in its capacity as financial adviser to NEO NEXT+, is satisfied that sufficient resources are available to NEO NEXT+ to enable it to satisfy in full the Cash Consideration payable under the terms of the Acquisition.

13 **Offer-related arrangements**

Confidentiality Agreement

On 29 April 2026, NEO NEXT+ and Deltic entered into a confidentiality agreement (the "**Confidentiality Agreement**") in connection with the Acquisition, pursuant to which, amongst other things, NEO NEXT+ has undertaken to keep confidential information relating to Deltic and/or to the Acquisition and not to disclose it to third parties (with certain exceptions) and to use such confidential information only in connection with the Acquisition. These confidentiality obligations will remain in force until the earlier of completion of the Acquisition and 24 months from the date of the Confidentiality Agreement, except where expressly provided otherwise in the terms of the Confidentiality Agreement.

Cost Coverage Agreement

On 7 May 2026, NEO NEXT+ and Deltic entered into a cost coverage agreement (the "**Cost Coverage Agreement**") in connection with the Acquisition. Pursuant to the Cost Coverage Agreement, NEO NEXT+ has undertaken to pay, or procure the payment of, Deltic's reasonably and properly incurred legal, financial, and related professional advisory fees, costs, and expenses in connection with the Acquisition up to and including the date on which any of the following events occur:

- prior to the release of this Announcement, NEO NEXT+ (i) ceases discussions and negotiations regarding the Acquisition or (ii) materially changes the terms of the Acquisition;
- NEO NEXT+ announces that it does not intend to make or proceed with the Acquisition and no new, revised or replacement Scheme or Takeover Offer is announced in accordance with Rule 2.7 of the Takeover Code at the same time;
- following release of this Announcement, a Condition has become incapable of fulfilment or satisfaction (unless such Condition has become incapable of fulfilment or satisfaction as a direct result of Deltic failing to provide information within its control to NEO NEXT+ or to a third party and which is required to be provided in connection with any third party clearances); or
- if the Scheme is withdrawn or lapses, or the Takeover Offer lapses, for the purposes of the Takeover Code,

(each, a "**Trigger Event**").

The costs undertaking is capped at a maximum aggregate amount of £550,000 (excluding any amounts of VAT payable thereon).

The costs undertaking shall not apply if, prior to a Trigger Event occurring, (i) a Recommended Third Party Offer is made, (ii) there is a Deltic Board Adverse Recommendation Change, (iii) a Competing Proposal completes, becomes effective or becomes or is declared unconditional or (iv) the Scheme becomes incapable of becoming effective as a result of the failure to obtain the requisite majorities of shareholder approval by the Deltic Shareholders at the shareholder meetings required to approve or implement the Scheme (including the General Meeting and the Court Meeting), provided that such failure is not attributable to certain actions or omissions of NEO NEXT+.

Bridge Financing and Facility Letter

On 7 May 2026, in connection with the Acquisition, NEO NEXT+ entered into the Facility Letter with Deltic. Pursuant to the terms of the Facility Letter, NEO NEXT+ has agreed to make available to Deltic a term loan facility of up to £2.9 million. The Bridge Financing will be available to be used solely for the repayment of the existing RockRose Facility, including any fees, costs and expenses in relation to such repayment. The Bridge Financing will (subject to customary conditions at the time of such utilisation) be available to Deltic to draw down by serving a utilisation request no later than 9.30 a.m. on the Business Day prior to the proposed date

on which the loan is to be made. Deltic may not reborrow any part of the Bridge Financing which has been repaid.

Any drawn down amounts under the Bridge Financing shall be repayable two years from the date of the Facility Letter unless any of the following occurs before that time, in which case the Bridge Financing will be required to be repaid in full within ten Business Days upon such occurrence:

- any Recommended Third Party Offer;
- the sale of all or substantially all of the assets of Deltic whether in a single transaction or a series of related transactions; or
- it becomes illegal for NEO NEXT+ to fund or maintain its participation in the financing.

Interest will accrue at a rate of 10 per cent. per annum on the principal outstanding pursuant to the Facility Letter.

Pursuant to the terms of the Facility Letter, NEO NEXT+ has agreed to provide a term loan facility to Deltic of up to £2.9 million. Deltic has agreed to only use the Bridging Loan to repay the RockRose Facility.

14 Structure of the Acquisition

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement between Deltic and the Scheme Shareholders under Part 26 of the Companies Act. NEO NEXT+ reserves the right to elect to effect the Acquisition by way of a Takeover Offer (subject to the consent of the Panel).

The purpose of the Scheme is to provide for NEO NEXT+ to become the holder of the entire issued and to be issued ordinary share capital of Deltic. This is to be achieved by the transfer of the Scheme Shares to NEO NEXT+, in consideration for which Scheme Shareholders will receive the Cash Consideration on the basis set out in paragraph 2 of this Announcement.

The Cash Consideration payable under the terms of the Acquisition will be dispatched to Deltic Shareholders within 14 days of the Effective Date.

Conditions to the Acquisition

The Acquisition is subject to the Conditions, certain further terms referred to in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document, and shall only become Effective if, among other things, the following events occur on or before the Long Stop Date:

- a resolution to approve the Scheme is passed by a majority in number of the Scheme Shareholders present and voting (and entitled to vote) at the Court Meeting, either in person or by proxy, representing at least 75 per cent. in value of the Scheme Shares voted by those Scheme Shareholders;
- the Deltic Resolution(s) required to implement the Acquisition are duly passed by Deltic Shareholders at the General Meeting (which will require approval of Deltic Shareholders representing at least 75 per cent. of the votes validly cast at such General Meeting, either in person or by proxy);
- following the Court Meeting and the General Meeting, the Scheme is sanctioned by the Court (without modification, or with modification on terms agreed by NEO NEXT+ and Deltic), and following such sanction, a copy of the Court Order is delivered to the Registrar of Companies; and
- satisfaction of the NSTA Condition.

The Conditions in paragraph 2 of Part 1 of Appendix 1 to this Announcement, provide that the Scheme will lapse if:

- the Court Meeting and the General Meeting are not held on or before the 22nd day after the expected date of such meetings to be set out in the Scheme Document in due course (or such later date, if any, (a) as NEO NEXT+ and Deltic may agree or (b) (in a competitive situation) as may be specified by NEO NEXT+ with the consent of the Panel, and in each case that (if so required) the Court may allow);
- the Sanction Hearing is not held on or before the 22nd day after the expected date of such hearing to be set out in the Scheme Document in due course (or such later date, if any, (a) as NEO NEXT+ and Deltic may agree or (b) (in a competitive situation) as may be specified by NEO NEXT+ with the consent of the Panel, and in each case that (if so required) the Court may allow); or
- the Scheme does not become Effective on or before the Long Stop Date (or such later date, if any, (a) as NEO NEXT+ and Deltic may agree or (b) (in a competitive situation) as may be specified by NEO NEXT+ with the consent of the Panel, and in each case that (if so required) the Court may allow.

Effect of the Scheme and publication of the Scheme Document

Subject to the satisfaction (or, where applicable, waiver) of the Conditions and the further terms set out in Appendix 1 to this Announcement, the Scheme is expected to become Effective in Q3 of 2026.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, regardless of whether or not they attended or voted at the Court Meeting or the General Meeting (and, if they attended and voted, whether or not they voted in favour); and (ii) entitlements to Deltic Shares held within the CREST system will be cancelled; and (iii) share certificates in respect of Deltic Shares will cease to be valid. Deltic Shareholders shall be required to return share certificates to Deltic or destroy them following the Effective Date.

Any Deltic Shares issued before the Scheme Record Time will be subject to the terms of the Scheme and any Deltic Shares issued following the Scheme Record Time will be transferred to NEO NEXT+ (or as it may direct) in exchange for the same consideration as would be due under the Scheme (in each case, subject to the Scheme becoming Effective in accordance with its terms). The Deltic Resolution(s) at the General Meeting will, amongst other things, provide that the Deltic Articles be amended to incorporate provisions requiring any Deltic Shares issued after the Scheme Record Time (other than to NEO NEXT+ and/or its nominees) to be automatically transferred to NEO NEXT+ (and, where applicable, for the Cash Consideration to be paid to the original recipient of the Deltic Shares so issued) on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the Deltic Articles (as amended) will avoid any person (other than NEO NEXT+ and its nominees) holding shares in the capital of Deltic after the Effective Date.

Further details of the Scheme, including an expected timetable of principal events relating to the Acquisition, will be set out in the Scheme Document. The Scheme Document, together with the associated forms of proxy, will be made available to Deltic Shareholders as soon as reasonably practicable, and in any event within 28 days of this Announcement (or such later time as NEO NEXT+ and Deltic may agree, and the Panel consents).

The Scheme will be governed by English law and is subject to the jurisdiction of the Court. The Scheme will also be subject to the applicable requirements of the Takeover Code, the Panel, the Market Abuse Regulation, the Disclosure Guidance and Transparency Rules, the Prospectus Rules, the London Stock Exchange, the FCA and the AIM Rules.

15 Cancellation of trading of shares and re-registration

It is intended that an application will be made to the London Stock Exchange to cancel the admission to trading in Deltic Shares on AIM, with such cancellation expected to take effect shortly after the Effective Date. The last day of dealings in, and registration of transfers of, Deltic Shares on AIM is expected to be the Business Day immediately prior to the Effective Date, and no transfers will be registered after 6.00 pm (London time) on that date.

On the Effective Date, share certificates in respect of Deltic Shares will cease to be valid and entitlements to Deltic Shares held within the CREST system will be cancelled. Deltic Shareholders shall be required to return share certificates to Deltic or destroy them following the Effective Date.

It is also proposed that, following the Effective Date and after the cancellation of its shares from trading, Deltic will be re-registered as a private limited company under the relevant provisions of the Companies Act.

16 Disclosure of interests in Deltic

As at the close of business on the Latest Practicable Date, save for the irrevocable undertakings referred to in paragraph 7 of this Announcement, neither NEO NEXT+, nor any of its directors, nor, so far as NEO NEXT+ is

aware, any person acting in concert (within the meaning of the Takeover Code) with any of them for the purposes of the Acquisition had:

- 16.1 any interest in or right to subscribe for any relevant securities of Deltic;
- 16.2 any short positions in respect of relevant securities of Deltic (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery;
- 16.3 borrowed or lent any relevant securities of Deltic (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Takeover Code), save for any borrowed relevant securities of Deltic which had been either on-lent or sold; or
- 16.4 entered into any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code.

17 General

NEO NEXT+ reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer for the entire issued and to be issued ordinary share capital of Deltic (not already owned by NEO NEXT+) as an alternative to the Scheme. In such event, the Acquisition will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect, among other things, the change in method effecting the Acquisition including, without limitation, the inclusion of an acceptance condition set at 75 per cent. of the Deltic Shares (or such other percentage as NEO NEXT+ and Deltic may agree after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the Deltic Shares), the inclusion of a long-stop date on which the Takeover Offer will cease to proceed, will lapse or will be withdrawn in certain circumstances, and those amendments required by, or deemed appropriate by, NEO NEXT+ under applicable law.

The Acquisition will be subject to the Conditions and further terms set out in Appendix 1 to this Announcement and the full terms and conditions to be set out in the Scheme Document in due course. The sources and bases of certain financial information contained in this Announcement are set out in Appendix 2 to this Announcement. A summary of the irrevocable undertakings given in relation to the Acquisition is contained in Appendix 3 to this Announcement. Certain terms used in this Announcement are defined in Appendix 4 to this Announcement.

Peel Hunt and Allenby Capital have each given and not withdrawn their consent to the inclusion in this Announcement of the references to their names in the form and context in which they appear.

This Announcement does not constitute an offer or an invitation to purchase or subscribe for any securities. Such offer will be contained in the Scheme Document. Deltic Shareholders are advised to read carefully the Scheme Document and associated forms of proxy once they have been dispatched.

The availability of the Acquisition to Deltic Shareholders who are not resident in and citizens of the United Kingdom may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in the United Kingdom should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. Deltic Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

Overseas jurisdictions

The release, publication or distribution of this Announcement in jurisdictions other than the United Kingdom, and the availability of the Acquisition to Deltic Shareholders who are not resident in the United Kingdom, may be restricted by the laws of those jurisdictions and therefore persons into whose possession this Announcement comes should inform themselves about and observe such restrictions. In particular, the ability of persons who are not resident in the United Kingdom to vote their Deltic Shares with respect to the Scheme at the Court Meeting, or to execute and deliver forms of proxy appointing another to vote at the Court Meeting on their

behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Further details in relation to Overseas Shareholders will be contained in the Scheme Document (or, if the Acquisition is implemented by way of a Takeover Offer, the offer document). Any failure to comply with any such restrictions may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

If the Acquisition is implemented by way of Takeover Offer (unless otherwise permitted by applicable law or regulation), the Takeover Offer may not be made, directly or indirectly, in or into, or by use of mails or any other means or instrumentality (including, without limitation, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Takeover Offer will not be capable of acceptance by any such use, means, instrumentality or facilities or from within any Restricted Jurisdiction.

This Announcement has been prepared in connection with proposals in relation to a scheme of arrangement pursuant to and for the purpose of complying with English law and the Takeover Code and information disclosed may not be the same as that which would have been disclosed if this Announcement had been prepared in accordance with the laws of jurisdictions outside the United Kingdom. Nothing in this Announcement should be relied on for any other purpose.

The Acquisition shall be subject to the applicable requirements of the Takeover Code, the Panel, the Market Abuse Regulation, the Disclosure Guidance and Transparency Rules, the London Stock Exchange, the FCA and the AIM Rules.

Additional information for US investors

The Acquisition relates to the shares of an English company with a listing on AIM and is proposed to be implemented pursuant to a scheme of arrangement provided for under English company law. A transaction effected by means of a scheme of arrangement is not subject to the tender offer or proxy solicitation rules under the US Exchange Act. Accordingly, the Acquisition is subject to the procedural and disclosure requirements and practices applicable in the United Kingdom to schemes of arrangement which differ from the requirements of the US tender offer and proxy solicitation rules.

If, in the future, NEO NEXT+ exercises its right to implement the Acquisition by way of a Takeover Offer and determines to extend such Takeover Offer, such Takeover Offer will be made in compliance with all applicable US laws and regulations, including, without limitation, to the extent applicable, Section 14(e) of the US Exchange Act and Regulation 14E thereunder. Such a Takeover Offer would be made in the US by NEO NEXT+ and no one else.

In the event that the Acquisition is implemented by way of Takeover Offer, in accordance with normal United Kingdom practice and pursuant to Rule 14e-5(b) of the US Exchange Act (if applicable), NEO NEXT+, its affiliates, their advisers and the nominees or brokers (acting as agents) may make certain purchases of, or arrangements to purchase, shares in Deltic outside the Acquisition, such as in open market purchases or privately negotiated purchases, during the period in which the Acquisition remains open for acceptance. If such purchases or arrangements to purchase were to be made, they would comply with applicable law, including UK laws and the US Exchange Act. Any information about such purchases or arrangements to purchase shall be disclosed as required under UK laws and will be available to all investors (including US investors) via the Regulatory Information Service and shall be available on the London Stock Exchange website at www.londonstockexchange.com.

It may be difficult for US holders of Deltic Shares to enforce their rights and any claim arising out of the US federal securities laws in connection with the Acquisition, since NEO NEXT+ and Deltic are located in non-US jurisdictions, and some or all of their officers and directors may be residents of, and some or all of their assets may be located in, non-US jurisdictions. US holders of Deltic Shares may have difficulty effecting service of process within the United States upon those persons or recovering against judgments of US courts, including judgments based upon the civil liability provisions of the US federal securities laws. US holders of Deltic Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

The financial information included in this Announcement, or that may be included in the Scheme Document, has been prepared in accordance with accounting standards applicable in the United Kingdom and thus may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the US ("US GAAP"). US GAAP differs in certain significant respects from accounting standards applicable in the United Kingdom. None of the financial information in this Announcement has been audited in accordance with auditing standards generally accepted in the United States or the auditing standards of the Public Company Accounting Oversight Board (United States).

Neither the Acquisition nor this Announcement have been approved or disapproved by the US Securities and Exchange Commission, any state securities commission in the United States or any other US regulatory authority, nor have such authorities approved or disapproved or passed judgement upon the fairness or the

merits of the Acquisition, or determined if the information contained in this Announcement is adequate, accurate or complete. Any representation to the contrary is a criminal offence in the United States.

The receipt of cash pursuant to the Acquisition by a US holder as consideration for the transfer of its Deltic Shares pursuant to the Acquisition may be a taxable transaction for US federal income tax purposes, and may also be a taxable transaction under applicable state and local tax laws, as well as foreign and other tax laws. In particular, US holders of Deltic Shares should be aware that Deltic may be classified as a Passive Foreign Investment Company ("PFIC") for US federal income tax purposes, which could result in adverse US federal income tax consequences. Each US holder of Deltic Shares is urged to consult its independent professional adviser immediately regarding the tax consequences of the Acquisition, including the potential application of the PFIC rules.

Disclosure requirements of the Takeover Code

Under Rule 8.3(a) of the Takeover Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified. An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule 8.3(a) applies must be made by no later than 3.30 pm (London time) on the 10th business day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 pm (London time) on the 10th business day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in 1 per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s), save to the extent that these details have previously been disclosed under

Rule 8. A Dealing Disclosure by a person to whom Rule 8.3(b) applies must be made by no later than 3.30 pm (London time) on the business day following the date of the relevant dealing. If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4).

PART 2
FURTHER TERMS OF THE ACQUISITION

- 1 The Conditions set out in paragraphs 2.1, 2.2 and 3.1 to 3.10 (inclusive) of Part 1 must each be fulfilled, determined by NEO NEXT+ to be or to remain satisfied or (if capable of waiver) waived by NEO NEXT+ prior to the commencement of the Sanction Hearing, failing which the Scheme will lapse.
- 2 Subject to the requirements of the Panel and the Takeover Code, NEO NEXT+ reserves the right in its sole discretion to waive:
 - 2.1 the deadlines set out in paragraph 1 of Part 1 above, and any of the deadlines set out in paragraphs 2.1(ii), 2.2(ii) and 2.3(ii) of Part 1 above for the timing of the Court Meeting, the General Meeting and/or the Sanction Hearing. If any such deadline is not met, NEO NEXT+ will make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Deltic to extend the deadline in relation to the relevant Condition. For the avoidance of doubt, the Conditions set out in paragraphs 2.1(i), 2.2(i), 2.3(i) and 2.4 of Part 1 above cannot be waived; and
 - 2.2 in whole or in part, all or any of the above Conditions set out in paragraphs 3.1 to 3.10 (inclusive) of Part 1 above.
- 3 NEO NEXT+ shall be under no obligation to waive (if capable of waiver), to determine to be satisfied or to or treat as satisfied any of the Conditions by a date earlier than the latest date specified above for the fulfilment or waiver thereof, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of fulfilment.
- 4 If NEO NEXT+ is required by the Panel to make an offer for Deltic Shares under the provisions of Rule 9 of the Takeover Code, NEO NEXT+ may make such alterations to any of the above Conditions and terms of the Acquisition as are necessary to comply with the provisions of Rule 9.
- 5 Under Rule 13.5(a) of the Takeover Code and subject to paragraph 6 below, NEO NEXT+ may only invoke a Condition that is subject to Rule 13.5(a) of the Takeover Code so as to cause the Acquisition not to proceed, to lapse or to be withdrawn with the consent of the Panel and any Condition that is subject to Rule 13.5(a) of the Takeover Code may be waived by NEO NEXT+. The Panel will normally only give its consent if the circumstances which give rise to the right to invoke the Condition are of material significance to NEO NEXT+ in the context of the Acquisition. This will be judged by reference to the facts of each case at the time that the relevant circumstances arise.
- 6 Conditions 1, 2.1, 2.2, 2.3 and 2.4 of Part 1 above and, if applicable, any acceptance condition if the Acquisition is implemented by means of a Takeover Offer, are not subject to Rule 13.5(a) of the Takeover Code.

- 7 The Deltic Shares to be acquired under the Acquisition will be acquired with full title guarantee, fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including, without limitation, voting rights and the right to receive and retain in full all dividends and other distributions and any return of capital (whether by reduction of share capital or share premium account or otherwise) declared, made, paid or becoming payable by reference to a record date falling on or after the Effective Date (other than any dividend, distribution or return of capital in respect of which a corresponding reduction in the consideration payable under the terms of the Acquisition has been made as described in paragraph 8 below).
- 8 Subject to the terms of the Acquisition, if, on or after the date of this Announcement and on or prior to the Effective Date, any dividend and/or other distribution and/or return of capital is authorised, declared, made or paid or becomes payable in respect of Deltic Shares, NEO NEXT+ reserves the right to reduce the Cash Consideration payable under the terms of the Acquisition by an amount equal to all or part of any such dividend and/or other distribution and/or return of capital, in which case: (i) any reference in this Announcement or in the Scheme Document to the Cash Consideration payable for the Deltic Shares will be deemed to be a reference to the Cash Consideration as so reduced; and (ii) the relevant Deltic Shareholders will be entitled to receive and retain any such dividend and/or other distribution and/or return of capital authorised, declared, made or paid. To the extent that any such dividend, distribution or return of capital is authorised, declared, made or paid or becomes payable: (i) pursuant to the Acquisition on a basis which entitles NEO NEXT+ to receive the dividend or distribution or return of capital and to retain it; or (ii) is subsequently cancelled, the Cash Consideration will not be subject to change in accordance with this paragraph. Any exercise by NEO NEXT+ of its rights referred to in this paragraph shall be the subject of an announcement and, for the avoidance of doubt, shall not be regarded as constituting any revision or variation of the Acquisition.
- 9 NEO NEXT+ reserves the right to elect (with the consent of the Panel) to implement the Acquisition by way of a Takeover Offer as an alternative to the Scheme. In such event, the offer will be implemented on substantially the same terms subject to appropriate amendments, including (without limitation) an acceptance condition set at 75 per cent. (or such other percentage as NEO NEXT+ and Deltic may agree after, to the extent necessary, consultation with the Panel, being in any case more than 50 per cent. of the Deltic Shares), so far as applicable, as those which would apply to the Scheme. Further, if sufficient acceptances of such Takeover Offer are received and/or sufficient Deltic Shares are otherwise acquired, it is the intention of NEO NEXT+ to apply the provisions of the Companies Act to acquire compulsorily any outstanding Deltic Shares to which such Takeover Offer relates.
- 10 The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Persons who are not resident in the United Kingdom should inform themselves about and observe any applicable legal and regulatory requirements.

- 11 The Acquisition will not be made, directly or indirectly, in, into or from, or by use of the mails of, or by any means of instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of, any Restricted Jurisdiction.
- 12 The Acquisition will be governed by English law and is subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Appendix 1 to this Announcement, and to the full terms and Conditions to be set out in the Scheme Document. The Acquisition will be subject to the applicable requirements of the Takeover Code, the Panel, the Market Abuse Regulations, the Disclosure Guidance and Transparency Rules, the Prospectus Rules, the London Stock Exchange (including the AIM Rules) and the FCA.
- 13 Each of the Conditions will be regarded as a separate Condition and will not be limited by reference to any other Condition.
